RECORD OF PROCEEDINGS
OF THE GOVERNING BODY
CITY OF GARDNER, KANSAS

Page No. 2020 – 21

February 17, 2020

The City Council of the City of Gardner, Kansas met in regular session on February 17, 2020, at 7:00 p.m. in the Council Chambers at Gardner City Hall, 120 East Main Street, Gardner, Kansas, with the Mayor Steve Shute presiding. Present were Councilmembers Todd Winters, Rich Melton, Mark Baldwin, Randy Gregorcyk and Tory Roberts. City staff present were Business & Economic Development Director Larry Powell; Public Works Director Michael Kramer; Parks and Recreation Director Jason Bruce; Police Chief James Belcher; Finance Director Matthew Wolff; Attorney F. Charles Dunlay; and City Clerk Sharon Rose. Others present included those listed on the attached sign-in sheet and others who did not sign in.

CALL TO ORDER

There being a quorum of Councilmembers present, the meeting was called to order by Mayor Shute at 7:00 p.m.

PLEDGE OF ALLEGIANCE

Mayor Shute led those present in the Pledge of Allegiance.

PRESENTATIONS

1. AAA Community Traffic Safety Award Presentation

Retired Master Deputy Bob Hamilton presented the AAA Community Traffic Safety Award. Mr. Hamilton is a law enforcement liaison in NE Kansas. He worked in traffic safety 28 years and understands how important traffic safety is. They work with AAA to find law enforcement agencies across the state that are qualified for award. Gardner Police Department is one of 38 departments receiving this award. They are being recognized for having a community-based traffic safety committee, called Operation Impact, where officers from both sides of the state line meet monthly to discuss traffic situations across the metro. There are points for having a departmental policy on seatbelt use. There is a seatbelt law in Kansas, but there are still agencies that are not wearing seatbelts. Gardner scored on their application for their special traffic enforcement programs like Click It or Ticket, You Drink You Drive You Lose, 420, seatbelt use and the enforced electronic communication restrictions for drivers. GPD is receiving their 4th consecutive award, and it's a silver award. As proof of the work that the Gardner PD has done, they've made 205 alcohol arrests, wrote over 108 seatbelt violations. The seatbelt use in teens and child passengers rates is excellent, having gone from 96 to 98 percent. The number of vehicle crashes fell while statewide the number went up. There were no fatality crashes. Hamilton thanked the mayor and council for their support of Chief Belcher and the Police Department.

PLANNING & ZONING CONSENT AGENDA

COMMITTEE RECOMMENDATIONS

1. Consider adopting an ordinance rezoning 71.4 acres located just west of the Kill Creek Road and W 167th Street from County RUR (Rural, Agriculture) District to City R-1 (Single-Family Residential) District

Business & Economic Development Director Larry Powell said this is a new subdivision property coming into the city, directly south of Symphony Farms, covering the ground between 167th and St. John's Trace and is approximately 71 acres. Planning Commission has approved preliminary plat, and it will be brought forward in 45 phases with 150 lots in three tracts. It will be called Hilltop Ridge. It's a single-family residential housing subdivision and was annexed into the city in December 2019. This is a rezoning designation from RUR to R-1 for single-family use.

Councilmember Melton asked if the roads will be connected right away or phased in? Director Powell said it would be phased in. The construction is planned to start at the north end at 167th Street and work south. They have a limitation to the number of housing units they can have on a road with one entrance, so when they start the 2nd phase, they are going up to 40. Thirty is the normal limit. Forty units have been preapproved by the fire department for this phase. After that, it will go up and reconnect at Osage Street. There are two routes the developer can take, and it's unclear which he will take at this time as it's still in engineering.

Mayor Shute asked why the R-1 and not RP-1? Director Powell said the R-1 district fit what the developer needed.

Councilmember Melton made a motion to adopt an ordinance changing the zoning classifications or districts of certain lands located in the City of Gardner, Kansas, under the authority granted by Title 17 of the Municipal Code of the City of Gardner, Kansas

Councilmember Gregorcyk seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2649.

Gregorcyk:	Yes
Melton:	Yes

2. Consider adopting an ordinance approving amendment TA-20-01 to GMC Title 17 *Land Development Code of the Gardner Municipal Code*

Business & Economic Development Director Larry Powell said this is a continuation of a discussion that took place in January 2020. The governing body initiated this potential text amendment to the Gardner Land Development Code directing the Planning Commission to consider revising the use provisions for Communications and Utilities to permit Public Utility Facility – Major as a Conditional Use subject to additional standards in additional zoning districts (including the agriculture district). As the community grows, there is a need to provide public utility services to outlying areas. Based on a comparison of the adopted utility plans and future land-use maps, it may be advisable that some major public utility facilities be developed on sites planned for agriculture or residential zoning. The city's sanitary sewer plant is zoned agricultural. This would set up the criteria to set up within a specified zoning with conditions. The city's sanitary sewer plant is zoned agricultural within the city limits and it's on a conditional use, but it was built under a previous code. Since they adopted the new LDC in August 2016, if they were to build on it, they would have to re-approve it. This is the process to start that reapproval for that particular existing facility, plus if they create a new utility project, this will set up criteria for them to be able to be located within a specified zoning area with conditions.

Mayor Shute said it's nice being proactive, fixing something before it becomes a problem.

Councilmember Melton made a motion to adopt an ordinance amending the Land Development Code of the City of Gardner, Kansas by amending the sections of Title 17 of the Gardner Municipal Code

Councilmember Winters seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2650.

Winters:	Yes
Baldwin	Yes
Gregorcyk:	Yes
Melton:	Yes
Roberts:	Yes

OLD BUSINESS

NEW BUSINESS

1. Consider adopting a resolution authorizing the City of Gardner to execute a Special Warranty Deed, a Release of Real Estate, and other release documents and to take certain other action to effect the option to purchase the project pursuant to the lease agreement in connection with the City's not to exceed \$52,000,000 Industrial Revenue Bonds (taxable under federal law), Series 2009 (US Industrial REIT II)

Finance Director Matt Wolff said in November 2009, the city passed an ordinance authorizing the issuance of industrial revenue bonds to finance acquisition construction and improvement of a commercial facility known as Coleman. As part of the project, the city approved a 50% property tax abatement for 10 years. That abatement has ended on December 31, 2019. During the abatement period, the city took ownership of the property and leased it back to the original property owner. Now that the abatement has ended, the city needs to convey the property back to the entity that's been assigned the interest in the lease. Now that the abatement is over, when taxes are levied again in November 2020, the property tax will be taxed at the full amount and will lead to an increase of approximately \$108,000 in property taxes for the city.

Councilmember Melton called upon Attorney Dunlay. There's a criminal investigation at the DA's office related to Councilmember Gregorcyk's March 6, 2018 vote on Excelligence. Should he recuse himself on this vote because this is a similar thing, so as not to cause an extra conflict with the current investigation. Attorney Dunlay

**RECORD OF PROCEEDINGS

CITY OF GARDNER, KANSAS**

Page No. 2020 - 24
February 17, 2020

responded with regard to a potential investigation, or whether or not the existence of an investigation is in place by the DA's office from which they have no knowledge as the DA office is separate from this body, he recommends leaving that the decision of the councilmember to make that determination himself. It's not appropriate for the governing body to dictate the recusal on the vote. That is a matter of determination for the attorney's office going forward. Dunlay has no reason provide this body with advice on this item. Councilmember Baldwin clarified it doesn't matter the status of the investigation. Dunlay said the status of the investigation is beyond the answer of this body and beyond his knowledge and it's inappropriate for him to comment as to that matter. There is no reason under law that the member must recuse himself. Councilmember Melton asked what if he's directly employed by that? Councilmember Baldwin said if the investigation comes out negatively, are they putting themselves in liability? Attorney Dunlay doesn't believe there would be any liability, as a single councilmember possesses no individual authority with regard to the ability to influence or take action. A councilmember may only take action as a member of the body.

Mayor Shute said it is good news that this was a successful IRB.

Councilmember Gregorcyk said he will recuse during voting, and doesn't understand political grandstand on Melton's behalf. It will be seen when the outcome, if there is an outcome, he is not employed by Excelligence or by Coleman. He's not on their payroll. It was a misnomer that was politically motivated and emotional, but he will abstain from this vote.

Councilmember Gregorcyk made a motion to adopt the resolution. Attorney Dunlay said if Gregorcyk is going to abstain from voting, he should not move the motion forward. Dunlay said he may do so, but suggests that he doesn't. Gregorcyk withdrew his motion.

Councilmember Melton made a motion to adopt a resolution authorizing the City of Gardner to execute a Special Warranty Deed, a Release of Real Estate, and other release documents and to take certain other action to effect the option to purchase the project pursuant to the lease agreement in connection with the City's not to exceed \$52,000,000 Industrial Revenue Bonds (taxable under federal law), Series 2009 (US Industrial REIT II)

Councilmember Baldwin Seconded.

With a majority of the Councilmembers voting in favor of the motion, the Resolution passed and was assigned Resolution number 2048.

Baldwin	Yes
Melton:	Yes
Roberts:	Yes
Winters:	Yes
Gregorcyk:	Abstain

2. Consider accepting a voluntary annexation with landowner consent

Business and Economic Development Director Larry Powell stated this is a voluntary land annexation. A few years ago, they entered into an MOU with Kansas Logistics Business Corporation for a proposed project that unfortunately did not continue at that time. The company has continued to market the facility and is moving forward. The next step they need to take is to have this property annexed into the city to prepare the property. This is a voluntary request for annexation of approximately 122 acres located west of city limits and at the south end of the city's airport. It's between 183rd St, 56 Hwy, and Four Corners Rd.

Mayor Shute said there may be questions about the nature of this annexation as this is being annexed pursuant to a piece of land that's already in the city of Gardner but is not directly connected to the city. Director Powell said the voluntary annexation statute was amended in the recent past to allow for any property that touches a portion of the city to be annexed voluntarily. It used to exclude island annexation properties, but no longer does so. The

Page No. 2020 - 25
February 17, 2020

park property the city has had in the city limits as an island annexation for several years acts as a piece of the city and this property directly abuts. After review by the city attorney, this is an acceptable method to annex the property.

Attorney Dunlay said this voluntary annexation is consistent with recent amended legislation over the last several years. This is the sort of annexation for which the law anticipates and expects.

Mayor Shute appreciates the work put into this.

Councilmember Melton made a motion to accept the Voluntary Consent Annexation request of Heartland Family Farms LLC, and adopt an ordinance annexing land to the City of Gardner, Kansas

Councilmember Gregorcyk Seconded.

With all of the Councilmembers voting in favor of the motion, the Ordinance passed and was assigned Ordinance number 2651.

COUNCIL UPDATES

Director Powell said it's been busy. Several new projects have come in which will move into the upcoming Planning Commission meeting. Olathe Medical Center open house is coming in March. It's an opportunity for the public to review the new medical facility and learn about its future growth patterns and how the south end of the city will be improved and affected, and they can see the future use for the existing doctor office. Price Chopper is moving along quickly. The building is winterized and sealed up, and work is taking place inside. Weather has impacted work on the parking lot. It is on schedule to be completed in June. Looking forward to road projects coming soon. Public is already aware of some on the west end. Be aware of orange barrel season.

Director Kramer said the sanitary sewer project to serve the airport passed all testing requirements. Last Friday they were able to connect the bathroom at the old flight school building and a new bathroom at VAA building. One of the best things is that KDOT provided a lot of money for this project.

Director Bruce thanked council for the support for the Independence Day event. They hope to make an announcement early April. It's a big act currently on the radio. Staff is diligently hiring seasonals, and they had over 540 applications. Staff is conducting interviews. Director Bruce and Jen Jordan, grants writer, are heading to Wichita for a presentation with the Kansas Dept. of Wildlife, Parks and Tourism to seek grant funding for Quail Meadows trail, which would be a connector to the Kill Creek trail just completed. It's in partnership with the county. He met with Great Life about a grand reopening at the golf course including disc golf. They are looking at early June. Disc golf is almost completed and they have some donated signage. Mayor Shute said folks reached out to him and he guided them to Director Bruce regarding sponsorships of events and signage. This is a platform for Director Bruce, what is the process of they wanted to participate or contribute? Director Bruce said they just rolled out the 2020 sponsorship program. Contact anyone in the Parks Department for more information. There are all kinds of sponsorships, from signage to league sponsors, event sponsors, a lot of opportunity for marketing. Councilmember Winters asked what's the plan for St. Johns Park? There are a lot of homes, new subdivision coming in. Director Bruce believes there is land purchase and park in CIP. Director Wolff said land purchase and park development in CIP. Parks is currently going through their CIP for the next 5 years. Councilmember Winters. Asked if that's the next one on the list following Quail Meadows? Director Bruce said yes, but these new areas of development coming in, they are meeting with developers and being included in meetings. They are looking at

CITY OF GARDNER, KANSAS**

February 17, 2020

ways to get connectivity throughout the new neighborhoods with trails. Director Powell said the complexity of putting together a public parks trail way system as they build a community; things come in bits and pieces. Something comes in on one end of town, and then something else on the other end of town. The planning department works with the other departments on connectivity so that when it's time to be built, the access and easement are in place to do so. They've worked hard with parks department on recent subdivisions on the west end of town because they have fallen in line to build the areas in question. There will be long-term community improvements as they build the system. Departments work together to ensure they all get what they need.

Mayor Shute asked City Clerk Rose about committees. Rose said she needs more applications for the PW and Accessibility Advisory Committee. Shute said there are a lot of questions about ADA and sidewalk access. He hopes those folks put their name in.

Chief Belcher received a communication from Kansas Law Enforcement Training Center that they love having training at the Justice Center. They will schedule more trainings, which is good for staff because the city gets free spots in the training classes for hosting. There is a CPAC meeting Monday, February 24th at 7pm at the Justice Center.

Attorney Dunlay said they have been paying attention to Senate Bill 380 offered by the KCTA with regard to cable and telecommunication ROW access fees, and elimination or reduction of related charges consistent with those provided to franchise rules related to similar reductions for wireless services in the last legislative session and the likelihood of combining those. Mayor Shute asked if he can provide fiscal repercussions if this passes? Would there be a hard cap on franchise fees? Dunlay said the concern is whether there will be a significant reduction or elimination of franchise fees for municipal services. Last year, because of the desire for increased opportunities for rural and exurban communities to obtain 5G communications, the legislature substantially limited the ability of municipalities to exercise their rights within the ROW. Now cable companies are pursuing the same access. Councilmember Gregorcyk attended the committee last week. Overland Park already has an opinion. Cox Communication said they've already paid for the ROW, so they don't need to pay again. Someone against the bill compared it to buying a movie ticket for 7pm, and when the movie is over, they go down the hall and watch another movie at 10pm with the same ticket. That's what these companies are wanting to do. There are also safety concerns and control concerns. Attorney Dunlay said Cox and Spectrum have championed cable strand wireless communication. The same ROW provisions that cities have previously entered into agreements with providers for, they want to provide on their existing aerial telecom devices without being charged for those. There is additional concerns that with the combination of the two acts plus FCC regulations will the city ultimately lose control of the ROW. Mayor Shute said according to the opinions he's seen from League of Kansas Municipalities, that's what they feel is going to happen. Dunlay said the League is very concerned and they are following up. Mayor Shute said it's a very big concern amongst communities in Johnson County. In rural areas they only have one or two providers, but in Johnson County, there are multiple providers competing for the same ROW. Dunlay said there is a consortium that he's a part of and they have been addressing the concerns of their communities as related to prospective changes. It's a dynamic issue, because the opportunity to bring 5G to the community is great, but if that opportunity comes with putting a pole every 35 feet in the ROW without costs or assessment fees to inspect those, then the city becomes responsible for determining whether those facilities are safe. Shute said it pushes liability from the telecom providers back on to the city. Dunlay said yes, but also the city has paid for the ROW previously, so it's a balancing act. Dunlay said expect to see changes to planning and zoning regulations and ROW ordinances.

Gregorcyk has had community members that live on the north and south side of 183rd/Cherokee St. west of Gardner Rd that have expressed safety concerns of children crossing the road, and heavy-haul trucks that are using that road as a northern entrance to LPKC. They have a designated intersection off I-35 they could use. He doesn't know if they need to do a traffic study. He suggests a barrier that would limit or stop heavy haul traffic going westbound into LPKC. Maybe like a height clearance. Director Kramer said they can look at pedestrian safety in that area, but Johnson County uses that as a route for emergency vehicles, so anything that would stop a truck could hamper emergency vehicles. The intersection is signed as "no truck traffic". Mayor Shute said they

**RECORD OF PROCEEDINGS
OF THE GOVERNING BODY
CITY OF GARDNER, KANSAS**

Page No. 2020 - 27
February 17, 2020

have local trucks that use that, as there are businesses directly west of Center St. There are through trucks coming from that point west, and there's an island there to deter trucks from using the area by narrowing the pavement area, but the island is covered in black marks, trucks continue to go through because it's shorter to go that way. There is a residential neighborhood, and there are heavy haul trucks coming down that road. They are wrecking the road and creating a significant safety hazard. It's considered an arterial road for the Fire District. Councilmember Gregorcyk doesn't want to impede local businesses. It's not the local trucks that are the concern, it's the corrugated metal containers on chassis. If staff can provide options, they can get information to citizens. Attorney Dunlay said they can coordinate with the Police Department with regard to "no through traffic", but then it's a matter of enforcement. Councilmember Baldwin asked about removable metal pylons. They can be automatic and placed at the border of the two cities, and the mechanism that lowers them can be triggered by an emergency vehicle. Councilmember Melton said weather will play a part with the mechanics, getting the street plowed and other maintenance will be an issue. The trucks will still turn down there, and now they are down the street with no way to turn around. Baldwin said they can patrol that with trucks turning and it says no trucks. They'll figure out after they get a ticket a few times. Melton said they can do that now. Mayor Shute said the concern is the damage that will take place if they try to back out with no place to go. Melton asked if they can put a flashing "local trucks only" on the traffic signal, so when they see the turn arrow to go left, they see the sign? Chief Belcher said Director Kramer had it right, they can work together to figure out some options and what is the best way to move forward with enforcement and the crosswalk is a big concern. Mayor Shute said the trucks disregard those "no trucks" signs and go down residential streets. Chief Belcher pointed out that Ofc. Adams is one of the city's commercial vehicle inspectors and he's worked that road before. They can work with Public Works to figure out options. Councilmember Gregorcyk appreciates everyone's input, and he can tell the residents they are looking into it.

Councilmember Gregorcyk asked what is status on Grata project? They got it annexed, and a lot of work was done, but where are they? Mayor Shute said they are working through the site plan with the developer. Director Powell said there is a public hearing scheduled for the February Planning Commission meeting, which is the next step for rezoning. As one of the three zones they plan to use, an RP-3 zone requires a planned site plan. Staff has been in review of that, and has issue with the way they want to use some of the different types of land development code aspects. The city's code is set up as if it's this kind of house then it's this kind of street. The developer wants to mix and match. They don't always work well together. Deviations are being asked for by developer. Staff has a meeting with City Administrator Pruetting tomorrow and will be in touch with Grata regarding the next steps.

Councilmember Melton spoke with Grata developer today and he requested deviations. If they allow deviations, they should be codified into code. Melton is looking for consensus to see if they want to amend the code. He suggests getting having a work session to see if they want to amend the code. Mayor Shute said they would be looking at more text amendments, and they need to have staff involved. A work session is great, but he doesn't know if those changes being requested warrant a text amendment. Councilmember Baldwin said it would be best to have Planning Commission and staff have the work session. Melton said that's why he brought it up, to move it along. The developer is worried it would take 6 months. Councilmember Winters recommends that this go to Planning Commission and staff first. Councilmember Gregorcyk agrees with Melton because the Planning Commission has to work within finite guidelines. He recommends a work session with staff and then push it to the Planning Commission. They can table it because it's on an agenda item for PC, and then bring it back which would be a 30-day window versus months. Melton said they couldn't table it because they are on a time constraint for Grata. Director Powell said there are four timelines being convoluted. There is a timeline that Grata is working under to get the project underway. The city has a separate timeline to provide negotiated utilities underway. Land Development Code changes typically take 90 days, so this would be a 90-day delay not 30 days. Powell said the Planning Commission needs to have the opportunity to work through the deviations with the applicant and present them to council and council will have an opportunity to tweak. Mayor Shute said any changes would take a super majority. Powell said the council would make their decision as a group and vote what is best for the community. If

that's to change something in the code, the proper time to consider it would be when it's a recommendation to you from the Planning Commission and council can address the recommendations.

Councilmember Gregorcyk if a work session on a Monday before Planning Commission is a benefit? Councilmember Baldwin doesn't believe they should meet before Planning Commission because of appearances. The developer comes with his wants, council puts them on paper, Planning Commission approves it, and then council approves it. It sets a bad precedent. It should start at Planning Commission and let it come up, because that process needs to be proper. Mayor Shute said it needs to be proper, but also consistent and replicatable in the future for the next developer with a big project and their own requests. Gregorcyk agrees and will let it move through the Planning Commission

Councilmember Melton recommends residents attend the Citizens Police Advisory Committee meeting next Monday night.

EXECUTIVE SESSION

1. Consider recessing into executive session to discuss matters of attorney-client privilege

Recess into executive session pursuant to K.S.A. 75-4319 (b) (2), to discuss matters of attorney-client privilege beginning at 8:00 pm; returning to regular session at 8:20 pm.

Councilmember Melton made a motion to recess into executive session pursuant to K.S.A. 75-4319 (b) (2), to discuss matters of attorney-client privilege beginning at 8:00 p.m.; and returning to regular session at 8:20 p.m.

Councilmember Baldwin seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

Councilmember Melton made a motion to resume regular session at 8:20 p.m.;

Councilmember Baldwin seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

ADJOURNMENT

There being no further business to come before the Council, on a motion duly made by Councilmember Gregorcyk and seconded by Councilmember Baldwin the meeting adjourned at 8:21 p.m.

COUNCIL ACTION FORM

CONSENT AGENDA ITEM NO. 3

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: MICHAEL KRAMER, DIRECTOR OF PUBLIC WORKS

Agenda Item: Consider authorizing a change order for pavement replacement on the Airport Sanitary Sewer Extension Project

Strategic Priority: Infrastructure and Asset Management
Fiscal Stewardship

Department: Public Works

Staff Recommendation:

Staff recommends authorizing the City Administrator to execute Change Order No. 1 for Central Plumbing, Heating & A/C, Inc. for the Airport Sanitary Sewer Extension and related pavement replacements.

Background/Description of Item:

The Airport Sanitary Sewer Extension project was awarded to Central Plumbing, Heating & A/C, Inc. as low bidder for \$ 154,234.00 at the September 16, 2019 council meeting.

Since that time, due to existing utility conflicts, the sanitary sewer was moved to the south side of 175th street, across the airport property. Because of these conflicts and relocation, the change order is needed to replace pavement, as the existing pavement was in poor condition and did not stand up well to the required construction.

Financial Impact:

Original Construction:

The project was included in the 2019 budget, however, KDOT awarded Kansas Airport Improvement Program (KAIP) funds for the installation of a gravity sanitary sewer at the airport terminal building. KDOT will reimburse the City ninety percent (90%) of the total actual costs of the Construction and Construction Engineering budget of \$210,375.00.

Funds for the construction project will come from:

KAIP-	\$138,810.60
City of Gardner Airport Fund-	<u>\$ 15,423.40</u>
Total Bid =	\$154,234.00

Change Order No. 1:

Change Order No. 1 City of Gardner Airport fund \$ 51,665.00.

Attachments Included:

- Change Order No. 1

Suggested Motion:

Authorize the City Administrator to execute Change Order No. 1 for Central Plumbing, Heating & A/C, Inc. for the Airport Sanitary Sewer Extension and related pavement replacements for a total amount of \$51,665.00.

COUNCIL ACTION FORM

CONSENT AGENDA ITEM NO. 4

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: MICHAEL KRAMER, DIRECTOR OF PUBLIC WORKS

Agenda Item: Consider authorizing the execution of a construction contract the Tuscan Farms First Plat - Phase 1 Project

Strategic Priority: Infrastructure and Asset Management
Fiscal Stewardship

Department: Public Works

Staff Recommendation:

Staff recommend authorizing the City Administrator to execute a contract with Superior Excavating, L.L.C. for the Tuscan Farms First Plat - Phase 1 Project for a total of \$1,729,528.00 and authorize the City Administrator to approve construction related Change Orders up to an additional \$173,000.00 (10%).

Background/Description of Item:

Tuscan Farms First Plat - Phase 1 is a single-family development located on the west side of Gardner Road, immediately south of the Nike Middle School. The project consists of streets, storm sewers, water lines, streetlights and misc. appurtenant items, as well as gravity sanitary sewer and a sanitary sewer force main that will be used to pump wastewater from this development to the Nike lift station. Bids for the wastewater lift station that will pump the sewage are scheduled to be opened later this month. The lift station is funded by a separate benefit district.

Council approved a petition from Chad Burkdoll for the formation of a benefit district to construct certain infrastructure improvements to serve the Tuscan Farms residential development and adopted Resolution 2013 authorizing the improvements in accordance with Kansas Statutes.

The construction costs are included in the Ordinance No. 2614. The Ordinance for the benefit district included estimated construction costs of \$2,075,500.00 for Phase 1 Infrastructure (street, stormwater, sanitary sewer, water, electric and other related improvements) for the Tuscan Farms Phase 1 property.

An Invitation to Bid notice was published online at www.drexeltex.com in their distribution plan room, in The Legal Record, and on the City's website. Bids for the project were received and publicly opened on February 18, 2020.

A summary of the bids received follows:

<u>Bidder</u>	<u>Total Bid</u>
Superior Excavating, L.L.C.	\$1,729,528.00
Emery Sapp and Sons, Inc.	\$2,031,896.00
R.D. Johnson Excavating Co., L.L.C.	\$2,068,921.00
Walters Excavating, L.L.C.	\$2,318,118.75
Linaweaver Construction, Inc.	\$2,355,735.50
Cohorst Enterprises, Inc.	\$2,457,573.00
Amino Brothers Co., Inc.	\$2,855,488.40
Engineer's Estimate	\$2,100,104.89

Staff anticipates issuing a Notice to Proceed in March 2020. The contractor must have the project substantially complete 150 calendar days from the notice in order to avoid liquidated damages.

The design engineer reviewed the bid documents and references for Superior Excavating, and recommends award of the project.

Financial Impact:

Funding for this project will come from two special benefit districts (Tuscan Farms Phase 1 SBD and Tuscan Farms Lift Station SBD). The City issued temporary notes in 2019 to provide temporary financing for the project. After the improvements are complete, the City will issue long-term bonds to provide permanent financing. The cost of the improvements will be assessed one-hundred percent (100%) against the improvement districts and zero percent (0%) to be paid by the City at large.

RE: Recommendation for award – Tuscan Farm 1st Plat – Phase 1
City Project WW-1902
Allenbrand-Drews Project #32567
Anderson Engineering Project #19KC10025

Dear Mr. Kramer,

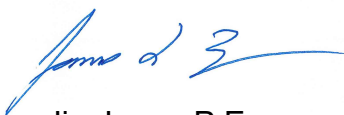

I have attached the February 18, 2020 bid tabulation of the seven bids received for the above referenced project for your records. All bids were checked by City staff for accuracy, completeness and other applicable requirements and corrected accordingly. Errors that were found did not impact the low bid. The bids received were as follows:

Superior Excavating, L.L.C.	\$1,729,528.71
Emery Sapp and Sons, Inc.	\$2,031,896.00
R.D. Johnson Excavating Co., L.L.C.	\$2,068,921.00
Walters Excavating, L.L.C.	\$2,318,118.75
Linaweaver Construction, Inc.	\$2,355,735.50
Cohorst Enterprises, Inc.	\$2,457,573.00
Amino Brothers Co., Inc.	\$2,855,488.40
Engineer's Estimate	\$2,100,104.89

Anderson Engineering contacted a number of the provided references for Superior Excavating, L.L.C. The references indicate they have successfully completed similar type work in the region and would use them for future projects.

Based on the above information, Anderson Engineering recommends that the City of Gardner award the construction contract for the Tuscan Farm 1st Plat – Phase 1 project in the amount of their bid of \$1,729,528.71.

Sincerely,

Jim Long, P.E.

Certificate of Nondiscrimination – Mandatory Provisions

K.S.A. § 44-1030(a) provides that every contract for or on behalf of the City of Gardner, Kansas for the construction, alteration or repair of any public building or public work or for the acquisition of materials, equipment, supplies or services shall contain provisions by which the contractor agrees to the following:

- (1) that the contractor shall observe the provisions of the Kansas Act Against Discrimination and shall not discriminate against any person in the performance of work under the present contract because of race, religion, color, sex, disability, age, national origin or ancestry;
- (2) that in all solicitations or advertisements for employees, the contractor shall include the phrase, "Equal Opportunity Employer," or similar phrase as approved by the state commission;
- (3) that if the contractor fails to comply with the manner in which the contractor reports to the state commission in accordance with the provision of K.S.A. § 44-1031 and amendments thereto, the contractor shall be deemed to have breached the present contract and it may be canceled, terminated or suspended, in whole or in part, by the City of Gardner;
- (4) that if the contractor is found guilty of a violation of the Kansas Act Against Discrimination under decision or order of the state commission which has become final, the contractor shall be deemed to have breached the present contract and it may be canceled, terminated or suspended, in whole or in part, by the City of Gardner; and
- (5) that the contractor shall include the provisions of K.S.A. § 44-1030(a) subsections (1) through (4) in every subcontract or purchase order so that such provisions will be binding upon such subcontractor or vendor.

The provisions of K.S.A. § 44-1030(a) shall not apply to a contract entered into by a contractor: (1) who employs fewer than four (4) employees during the term of such contract; or (2) whose contracts with the City of Gardner cumulatively totals \$5,000 or less during the same fiscal year.

By signing this Certificate of Nondiscrimination, contractor acknowledges inclusion of the requirements of K.S.A. 44-1030(a) in the base contract and in all subcontracts.

COMMITTEE RECOMMENDATION No. 1

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: GONZ GARCIA, UTILITIES DIRECTOR

Agenda Item: Consider a recommendation to appoint City of Gardner representatives to the Kansas Municipal Energy Agency Board of Directors

Strategic Priority: Asset Management
Fiscal Stewardship

Department: Utilities - Electric

Board/Committee Recommendation:

On February 6, 2020, the Utility Advisory Commission approved a recommendation to the City Council to appoint Matt Ponzer as Director #1, reappointing Gonz Garcia as Director #2, and appointing Bruce Baldwin as Alternate Director with voting rights on the Kansas Municipal Energy Agency Board of Directors.

Staff Recommendation:

Staff recommends appointing Matt Ponzer as Director #1, reappointing Gonz Garcia as Director #2, and appointing Bruce Baldwin as Alternate Director with voting rights on the Kansas Municipal Energy Agency Board of Directors.

Background/Description of Item:

The City of Gardner is a member of the Kansas Municipal Energy Agency (KMEA). In accordance with Section 5.1 of KMEA's Bylaws (attached), each KMEA Member City shall have two (2) Directors and an Alternate on its Board of Directors. Each Director so selected shall (a) reside within the territory served by the electric utility of the selecting Member; or (b) be an employee of the selecting Member. Each Director shall meet all other requirements of the Act and the Agreement. Each Director will serve for two (2) years; however, terms are staggered in order to maintain continuity on the Board of Directors.

The following persons were previously appointed to represent the City of Gardner on the Kansas Municipal Energy Agency Board of Directors:

1. Director #1: Vacant (formerly Andrew Krievins), expiring April 30, 2021
2. Director #2: Gonzalo Garcia, expiring on April 30, 2020
3. Alternate: Vacant (formerly Clint Barney), expiring on April 30, 2020

There are two meetings per year and they are generally held in the Wichita area. The spring meeting coincides with the Kansas Municipal Utilities (KMU) annual conference. At least one representative from the City of Gardner shall attend each of these meetings.

Staff and the UAC recommend the following appointments:

1. Appoint Matt Ponzer as Director #1 to fill vacancy, expiring April 30, 2021.

2. Reappoint Gonzalo Garcia as Director #2, expiring April 30, 2022.
3. Appoint Bruce Baldwin as Alternate Director, expiring April 30, 2022.

All appointments will have voting rights on the KMEA Board of Directors.

BOARD OF DIRECTORS

Section 5.1. Selection of Directors. The property and business of the Agency shall be managed by the Board of Directors of the Agency. The Board of Directors shall consist of two (2) Directors for each Member, provided that there shall be not less than seven (7) Directors. The Directors shall be selected by the governing bodies of the Members. In the event that the number of Members is less than seven (7), each Member shall be represented by the number of Directors which would constitute a Board of Directors of not less than seven (7) Members, provided that each Member shall select the same number of Directors. Each Member must designate the two (2) Directors as "Director-1" and "Director-2".

The term of each Director shall be for a period of two (2) years except that the initial term of a number equal to one half of the Directors, comprised of those individuals designated as Director-2, shall be selected to a term of one (1) year. **Any Director selected by a Member may be removed at any time by the Member selecting the Director. Each Director so selected shall (a) reside within the territory served by the electric utility of the selecting Member; or (b) be an employee of the selecting Member. Each Director shall meet all other requirements of the Act and the Agreement.** Any such selection (other than a replacement selection) shall occur prior to the annual meeting of the Agency. Written evidence of selection shall be forwarded by the City Clerk or other authorized official of the Member to the Agency in writing prior to the annual meeting. Each Director shall continue in office until a successor is selected in accordance with this **Article V**.

Section 5.2. Voting Powers. Each Member shall be entitled to one Director vote on the Board of Directors which shall be equal to the vote of every other Member. Such vote shall be cast on behalf of the Member by Director-1 of such Member, if present; if such Director-1 is not present then by Director-2. Other than actions required in **Article XII** hereof, all actions of the Board of Directors shall be made upon affirmative vote of a majority of the Directors entitled to vote and voting on such action.

Section 5.3. Compensation. Except as may be specifically authorized by the Board of Directors, no Director shall receive payment from the Agency for any time spent in attending meetings of the Board of Directors or otherwise conducting business of the Agency. To the extent that funds are available, the Board of Directors, the Executive Committee, or the General Manager may authorize payment of expenses for travel in connection with the business of the Agency for other than meetings of the Board of Directors pursuant to the Act.

Section 5.4. Vacancies. In the event of a vacancy on the Board of Directors the appropriate Member shall select an individual to fill such vacancy for the remainder of the term in accordance with the same procedure as set forth for the selection of the initial Director. Written evidence of selection shall be provided to the Agency before voting privileges will take effect.

Section 5.5. Removal or Resignation. A Director may be removed only by the governing body of the Member selecting such Director. Any Director may resign by providing notice to the governing body of the Member the Director represents. The governing body shall certify to the Agency such removal or resignation of a Director.

Section 5.6. Successor Director. Upon removal or resignation of a Director, a successor Director will be selected by the governing body in the same manner as the original Director was selected, and the successor Director will be certified by the governing body to the Agency in the same manner as the original Director was certified. The successor Director shall serve for the remainder of the unexpired term of the original Director, subject to the rights of the governing body and such successor Director under **Section 5.5** of these Bylaws.

Section 5.7. Alternates. Each Member shall designate an Alternate or Alternates for the Director in the same manner as the Directors are designated. In the event any Director is unable to attend a meeting, any duly appointed Alternate may substitute at the meeting of the Board of Directors for such Director. The Member shall provide the Agency with written notification of the selection of such Alternate or Alternates. In the event neither Director designated by the Member is present, the Alternate may vote on behalf of such Member unless the governing body of the Member has specifically prohibited the Alternate from voting on the Member's behalf. If more than one Alternate is designated by the Member, the governing body shall specify in its designation the order in which the Alternates shall have voting rights on behalf of the Member.

COUNCIL ACTION FORM

COMMITTEE RECOMMENDATION NO. 2

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: GONZ GARCIA, UTILITIES DIRECTOR

Agenda Item: Consider a recommendation to implement Public Sanitary Sewer and Manhole Rehabilitation Improvements for the Public Inflow & Infiltration Program

Strategic Priority: Increase Infrastructure and Asset Management
Fiscal Stewardship

Department: Utilities - Wastewater

Committee Recommendation:

On January 2, 2020, the UAC approved a recommendation for the implementation of the Public Inflow & Infiltration work for Drainage Basin 1 as part of Inflow & Infiltration Project, CIP No. WW1706.

Staff Recommendation:

Staff recommends authorizing the implementation of the Public Inflow & Infiltration work for Drainage Basin 1 as part of the I&I Project.

Background/Description of Item:

The 2017 Wastewater Master Plan made recommendations for the City of Gardner to adopt and implement an I&I program. In 2018, Trekk Design Group, LLC was selected via the RFQ process that included six firms submitting proposals for the Inflow & Infiltration (I&I) program. Trekk has performed flow monitoring, flow calculations and reviewed proposed CIP projects from the 2017 Wastewater Master Plan in 13 drainage basins throughout the City. The information collected has been reviewed and prioritized. Drainage Basin 1 was determined to have the highest I&I and was selected as a “pilot” program.

The I&I program provides prioritization, procedures, schedules, and planning for maintaining and rehabilitation of the existing sanitary storm sewer system throughout the community. This program will improve the efficiency of operation and maintenance provided to the community by the Utility Department.

On January 21st, City Council approved the UAC recommendation to implement the Private I&I Program, which will cost-effectively remove significant sources of I&I on private property that contributes to the excessive wet weather flow into the sanitary sewer system.

The next step in the process is to perform improvements within the Drainage Basin 1 on the publicly owned sanitary sewer system. The testing was performed in July of 2019 and included smoke testing and review of all CCTV videos covering the first phase of the pilot program collected by City crews and reviewed by Trekk. The public I&I program consists of:

1. Manhole Rehabilitation:
 - a. Replacement of Frames & Covers

- b. Raise Manholes
 - c. Removal of Flap Gates
 - d. Manhole Lining (Epoxy/Cementitious)
 - e. Bench/Invert Rehabs/Replacements
 - f. Seal any other defects
2. CIPP (Cured-In-Place-Pipe)
3. Point Repairs
4. Routine Maintenance

Trekk has performed an evaluation of these items, rating them as Priority 1 & 2 based on the testing and inspections performed on the Public Infrastructure for Sanitary Sewer Main Lines and Manhole Rehabilitation.

Sanitary Sewer Main Lines:

Priority 1: Rehab Cost is Estimated at \$238,371

Priority 2: Rehab Cost is Estimated at \$190,130

Manhole Rehabilitation:

Priority 1: Rehab Costs is Estimated at \$70,656

Priority 2: Rehab Costs is Estimated at \$22,094

It is anticipated that the findings from Drainage Basin 1 will be used to project future budget amounts for the I&I program.

Financial Impact:

This project is part of the CIP and funds are available in the Wastewater Budget.

The I&I program provides prioritization, procedures, schedules, and planning for maintaining and rehabilitation of the existing sanitary storm sewer system throughout the community. This program will improve the efficiency of operation and maintenance provided to the community by the Utility Department.

On January 2nd a presentation was given on the Private I&I costs and recommendation for starting those improvements. The UAC recommended moving forward with the Private I&I Program in which the goal is to cost-effectively remove significant sources of I&I on private property that are contributing to the excessive wet weather flow to the sanitary sewer system.

The next step in the process is to perform improvements within the Drainage Basin 1 on the publicly owned sanitary sewer system. Councilmember Baldwin asked to remove Item 5 from the Consent Agenda.

Councilmember Winters made a motion to approve items 1-4 and items 6-13 on the Consent Agenda.

Councilmember Baldwin Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

Discussion of Consent Agenda Item 5

Councilmember Baldwin asked Director Wolff about the overall status for meeting the 2020 budget for this line item. Director Wolff can't speak to the individual businesses, but with the two hotels, they are about \$14,000 short the quarter distribution. If that continues, they could be closer to \$50,000. Wolff recommends waiting on the budget process until the 2nd distribution to address the situation. He has options to find savings. Councilmember Gregorcyk asked if they should wait on this consent item? Director Wolff said no, if they want to make adjustments to the 2020 budget. The CVB has a large increase, the Small Business Assistance Program has had no requests, there are savings to be found.

Councilmember Gregorcyk made a motion to approve Consent Agenda item 5.

Councilmember Melton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

PLANNING & ZONING CONSENT AGENDA

COMMITTEE RECOMMENDATIONS

1. Consider a recommendation to implement Private Inflow & Infiltration work as part of the I&I project

Utilities Director Gonz Garcia said in 2018 Trekk was hired to implement the Inflow & Infiltration (I&I) Program. They performed flow monitoring and calculations on 13 drainage basins. Drainage basin #1 had the highest I&I and was selected as a pilot program. In November 2018, council approved a recommendation from the UAC to move with private I&I. What the private I&I program is looking for is to cost effectively remove significant sources of I&I on private properties. The program includes property owner notifications, homeowners agreements for access to make the repairs, repairs to inflow source by local plumber, and final inspection. Last summer, Trekk performed smoke

testing and reviewed all CCTV videos collected by the city. It's estimated that 100 houses would require some kind of repair, so they are requesting \$125,000 to perform the private I&I in Drainage Basin #1.

Councilmember Winters said doing this will save the city significantly in the future, correct? Director Garcia can't quantify how much the reduction will be on this pilot program but believes it will be significant. On average, 60-80% of I&I is on the private side.

Councilmember Baldwin asked what is the majority of the work that the homes will need? Director Garcia said they will do an inspection for any illicit connections from sump pumps directly to the sewer or other connections. Baldwin asked if there has been any push-back. Garcia said no, they haven't started the program. The action tonight will initiate the program. Mayor Shute said this is a pilot program.

Councilmember Winters made a motion to authorize the funding of \$125,000 for the implementation of the Private Inflow & Infiltration work for Drainage Basin 1 as part of the Inflow & Infiltration Project, CIP WW1706.

Councilmember Melton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

2. Consider a recommendation to procure a high pressure CO2 Fire Protection System for the Gas Turbines.

Utilities Director Gonz Garcia stated in 1989 the city purchased two gas turbines. Having gas turbines requires a fire suppression system. The current system leaks and no longer meets the NFPA standards. Since 2015, they spent over \$33,000 chasing leaks. Staff no longer has manuals, drawings, schematics and cannot properly test the system. For insurance purposes, fire suppression is required. The system needs replaced, and this new system was reviewed by Johnson County Fire District. They require additional capacity, so the original estimate was \$66,000, but with the additional capacity it's up to \$99,739.

Mayor Shute asked if the funds will come from the Electric budget? Director Garcia confirmed. Councilmember Gregorcyk asked about the life expectancy of the gas turbines. Director Garcia said they are mid-70s, and with proper maintenance they can last an additional 20-30 years. They have about 30 years to go. The units aren't dispatched because they aren't very efficient. Staff runs them once a year during the summer to see how much capacity they can get and exercise them, which is a requirement. Councilmember Gregorcyk asked about other upkeep, circuit boards, etc. Garcia said the control system was replaced in early 2000s. The company that installed it no longer supports the system. They have a CIP for next year to replace the controls.

Councilmember Gregorcyk made a motion to authorize the City Administrator to execute a contract to install a high-pressure CO2 Fire Protection system with Keller Fire & Safety in the amount of \$99,739.00.

Councilmember Melton Seconded.

With all of the Councilmembers voting in favor of the motion, the motion carried.

COUNCIL ACTION FORM

OLD BUSINESS ITEM NO. 1

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: MATTHEW WOLFF, FINANCE DIRECTOR

Agenda Item: Consider authorizing an agreement with the Gardner Edgerton Chamber of Commerce

Strategic Priority: Promote Economic Development

Department: Finance

Staff Recommendation:

Staff recommends authorizing an agreement with the Gardner Edgerton Chamber of Commerce and distribution of funds.

Background/Description of Item:

On January 7, 2019, the City Council authorized the execution of an agreement with the Gardner-Edgerton Chamber of Commerce. The City agreed to fund the Chamber's regular business services at \$35,000 and new tourism services (Convention and Visitors Bureau) for the community at \$115,000. The \$115,000 also included \$15,000 for recreation event promotion that was to be used in cooperation with the Parks & Recreation Department and Communications Manager. All funding was to come from transient guest tax funds from the Economic Development Fund.

Due to the delayed opening of the Hampton Inn, transient guest tax receipts came in significantly lower than expected in 2019. In September of 2019, City staff requested that the Chamber delay incurring any more expenses related to tourism services until in 2020. The City continued to fully fund the Chamber's regular business services budget request of \$35,000. The City also paid the Chamber an additional \$2,500 to cover costs related to the CVB that had already been incurred. The City funded its recreation event promotion from the Parks & Recreation Department Budget in the General Fund.

The proposed agreement is for one year, ending on December 31, 2020. The proposed agreement would provide \$35,000 for the Chamber's business services and \$50,000 for tourism services. The \$15,000 for recreation event promotion was pulled out of the agreement, because both parties agree that the City's Parks & Recreation Department and the Communications Manager will coordinate the marketing. The funding for the tourism services was also reduced from \$100,000 to \$50,000 due to transient guest tax revenues coming in lower than expectations.

Financial Impact:

The proposed agreement sets the total amount of funding in 2020 for the Chamber and additional tourism services at \$85,000. Funding will come from the Economic Development Fund.

The City shall pay the Chamber the sum of \$35,000 for business services, payable at the rate of \$17,500 by February 29, 2020 and \$17,500 by August 31, 2020.

The City shall pay the Chamber the sum of \$50,000 for tourism services, payable at the rate of \$25,000 on the last day of the months of April and October, 2020.

Suggested Motion:

Authorize the City Administrator to execute an agreement with the Gardner Edgerton Chamber of Commerce for business and tourism services for one year, ending December 31, 2020, in the amount of \$85,000.

Agreement

Purpose: This Agreement is created between the Gardner Edgerton Chamber of Commerce and the City of Gardner for the purpose of outlining the functions and activities that the Gardner Edgerton Chamber of Commerce will perform in support of the City of Gardner. These functions and activities performed will be financially supported through allocation of the Transient Guest Tax fee in the Economic Development Fund.

Funding: The Gardner Edgerton Chamber of Commerce will receive a total of \$85,000 for performing the functions and activities outlined in Schedule A broken down as follows:

1. **Business Services** - \$35,000 payable at the rate of \$17,500 by February 29, 2020 and \$17,500 by August 30, 2020. The Chamber shall prepare an invoice for each semi-annual payment and submit the invoice to the City 15 days or more prior to the scheduled payment. The City shall process the invoice such that payment is received by the Chamber no later than the due date.
2. **Tourism Services** – \$50,000 payable by installment (last day of April and October)

Functions: The Gardner Edgerton Chamber of Commerce has been a strong partner with the City of Gardner since it was first established over 40 years ago. The Chamber works with existing businesses to enhance and encourage a strong business environment in the Gardner community and visits with potential new businesses to discuss opportunities in the city. It's important to note that while the Chamber is supported by membership dues of many businesses, it works with AND represents all businesses on a variety of projects and initiatives. The Chamber's recently adopted purpose statement (aka the Chamber's "Why") illustrates our commitment to the entire business community:

Purpose: Championing business growth and community collaborations

Beyond the business community, the Chamber also serves as a valuable resource of information for local residents and guests in our community and works to provide a positive first impression for all. Bridging the gap between businesses and individuals is an important function of the Chamber. The following, non-exhaustive list, outlines the general activities of the Chamber as it relates to the

City of Gardner. *(The attached Schedule A/Work Plan – outlines more specifically some of the activities, reporting, etc.)*

- The Chamber will promote and enhance a high quality of life in Gardner and creating value for our residents through a strong business community.
- The Chamber will partner with the City of Gardner to continually enhance all branding and marketing efforts aimed at recruiting new businesses and residents to this community.
- The Chamber will partner with the City of Gardner to ensure signature events and all major public activities are directed towards positively promoting the City of Gardner, attracting visitors, encouraging growth and appreciating our current residents for choosing to live in this community.
- The Chamber will provide time, talent and resources to compliment city initiatives including, but not limited to: Comprehensive planning, Land Development Code Rewrite, downtown planning, legislative advocacy support, etc.
- The Chamber will work collaboratively with the City of Gardner Business & Economic Development Department on projects of importance to creating and sustaining a healthy business community.
- The Chamber will serve as a main contact point in delivering information, answering questions, and assisting the City with frequent inquiries they are not able to answer.

Oversight: Although the daily function of the Chamber is extremely fluid and changes on a frequent basis, the Chamber is committed to keeping the City of Gardner involved and informed of its activities. The Chamber reserves at least one designated ex-officio seat on its Board of Directors. The Board meets regularly and provides an opportunity to discuss all of its activities, community involvement and service to businesses in Gardner. Additionally, the President of the Chamber will provide semi-annual reports in person or in writing (or more often as requested by the City of Gardner).

- II. City Staff/Council** – the Chamber will meet at least quarterly with city staff. The Chamber President/CEO and Board Chair will meet annually with the Mayor and City Administrator in the fall to determine progress toward existing and future goals. Chamber staff will attend council meetings semi-annually to provide general updates and associated metrics where applicable.
- 2nd quarter – general update
 - 4th quarter – work plan
- III. Business/Community Leadership Program** – the Chamber will explore the viability of beginning a leadership program in 2021 and if feasible, create a plan to move forward. Additionally, the Chamber will work with the Communications Manager for the City of Gardner to determine how leadership program can be complementary to GardnerYou if necessary.
- IV. Gardner City Council** – the Chamber will provide an opportunity for the community to get to know candidates prior to the general election in Nov. 2020 (3rd quarter). This may take the form of an in-person or online activity depending on need and candidate availability.

Tourism/CVB/DMO -

- I. **Organizational Structure** – the Chamber, in conjunction with the Economic Development Council as defined in Charter Ordinance 18, will develop the organizational structure of a new Destination Marketing Organization (DMO) including, but not limited to:

- identifying an initial board of directors including the City of Gardner's Parks and Recreation Director
- writing articles of incorporation and bylaws
- filing with the State of KS and IRS

The Chamber will create a DMO operating budget which will be provided to City Council upon request. The Chamber will maintain a separate bank account for the purpose of DMO funds. The Chamber will work to develop and adhere to standard financial procedures.

- II. **Visitor Profile Study & Tourism Strategy/Marketing Plan** – the Chamber request proposals from external partners to produce a Visitor Profile Study and Tourism/Marketing Strategy in order to maximize opportunities for tourism spending. The Visitor Profile Study serves as the backbone to understanding who our target demographic is, where they come to Gardner from and how much they spend while they are here. The Tourism Strategy/Marketing Plan outlines the advertising and overall marketing approach that will be used to promote Gardner.

The marketing plan will identify local opportunities for promotion in order to drive traffic to attractions, events and businesses that encourage visitor spending. Categories include:

- Hotels & restaurants, gas stations, transportation services, event venues
- Attractions such as Gardner Historical Museum, Gardner Municipal Airport, New Century Airport, City parks
- Events such as sports tournaments, community events, weddings
- Local organizations that attract visitors such as the Vintage Aircraft Association, Gardner Historical Museum, Johnson County Fair

- III. **Tourism Partners** – the Chamber will work with industry partners to promote the Gardner area as opportunities are presented. Partners will include, but are not limited to:

- i. KCRDA (Kansas City Regional Destination Alliance)
- ii. SportsKS (Kansas Sports Tourism Group)
- iii. MeetKS (Kansas Meeting & Convention Group)
- iv. NE Kansas Tourism (NEKS Regional Tourism Group)
- v. TIAK (Travel Industry Association of Kansas)
- vi. VisitKC (Kansas City Convention & Visitors Authority)
- vii. TravelKS (State of Kansas Travel & Tourism Division)

IV. Staff – working with the new DMO board, the Chamber will determine appropriate staffing needs and if necessary, hire an individual (or reallocate existing staff) to perform DMO operations.

V. Event Promotion – the Chamber will assist in promoting events and activities that lead to further economic impact for the Gardner community. These activities may be public or private-led, with a focus on bringing visitors to the community and increasing local spending. Examples include sports tournaments, conventions, meetings, special events, etc.

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 1

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: AMY NASTA, SR. MANAGEMENT ANALYST

Agenda Item: Consider approval of the 2020 State Legislative Agenda

Strategic Priority: Economic Development
Quality of Life
Infrastructure and Asset Management
Fiscal Stewardship

Department: Administration

Staff Recommendation:

Staff recommends approving the 2020 State Legislative Agenda for the City of Gardner.

Background/Description of Item:

The purpose of the State Legislative Agenda is to provide City Council and staff a list of legislative topics that are of particular interest to follow for the City. By outlining the agenda, both Council and staff will be prepared to respond to legislators and professional organizations regarding the impact proposed legislation has on the City of Gardner. By participating in this process, the City is pursuing legislative policies that seek to enhance the efficiency and effectiveness of local government operations for Gardner.

The City's legislative agenda incorporates the joint City/County platform to assert our common positions to all of our state legislatures. The County is requesting this practice continue and hosted a meeting with area managers.

Gardner's 2020 legislative platform includes the following new joint City/County items:

- Support repeal of property tax lid legislation
- Support local control for decisions related to the Kansas Open Records Act
- Support local officials freely participating in the legislative process
- Support current laws for use of eminent domain for utilities and public infrastructure improvements
- Support repeal of 2016 legislation granting automatic cell tower placement
- Support sales tax reductions on food and pharmaceuticals
- Support expansions of current property tax relief programs for low income seniors
- Support state investments in information technology to enhance data sharing
- Support policies improving broadband development and access
- Support changes to legislation regarding the publication of required notices
- Support the development and implementation of cost-effective, scientifically based environmental plans
- Support fully funding the State Water Plan

Gardner's 2020 legislative platform includes the following joint City/County items previously included in the 2019 Legislative Agenda:

- Support the preservation of pass-through revenue
- Oppose the imposition of mandated responsibilities from the State without full funding
- Support stable revenue sources and oppose the application of further exemptions to the ad valorem property tax base
- Support the exemption of local governments and public construction projects from sales tax
- Support the collection of compensating use tax on remote sales
- Support the State fully funding its portion of employer contributions to the Kansas Public Employees Retirement System (KPERS)
- Support the development of a comprehensive economic development plan for the State of Kansas
- Oppose any legislation based on the Dark Store Theory

Gardner's 2020 legislative platform also includes the following additional items previously included in the 2019 Legislative Agenda:

- Support local control of revenue
- Support local option sales taxes
- Support maintaining the current exemptions to the property tax lid in the absence of a property tax lid repeal
- Support timely collection of delinquent special assessments
- Support a more robust Homestead Property Tax exemption for all Kansans
- Support a State program for funding transportation improvements
- Support funding for local programs and the Special City County Highway Fund
- Support funding KDOT preservation and preventative maintenance
- Support for KDOT aviation funding
- Support finding new sources of revenue to increase transportation funding
- Support the handling of protections for individuals against discrimination at the State and Federal levels

Suggested Motion:

Approve the 2020 State Legislative Agenda for the City of Gardner.

CITY OF GARDNER'S 2020 LEGISLATIVE AGENDA

State Issues

The following is the City of Gardner's legislative agenda for 2020:

1. **Home Rule and Local Control** – The City of Gardner supports the retention and strengthening of local home rule authority to allow locally elected officials to conduct the business of their jurisdiction in a manner that best reflects the desires of their constituents and results in maximum benefit to that community (*Joint with Johnson County*).

The City of Gardner supports legislation that maintains the ability to retain and enhance home rule authority, including the following positions:

- a. **Property Tax Lid Repeal** – The City of Gardner supports local elected officials having the ability to make taxing and spending decisions and urges the repeal of the property tax lid legislation (*joint with Johnson County*).
- b. **Kansas Open Records Act** – The City of Gardner supports local control for decisions related to Kansas Open Records Act requests (*joint with Johnson County*).
- c. **Participation in the Legislative Process** – The City of Gardner supports local officials and their representatives' ability to freely participate in the legislative process through advocacy and education on issues affecting local governments without cumbersome reporting requirements (*joint with Johnson County*).
- d. **Eminent Domain - The** City of Gardner supports current law regarding the use of eminent domain by local units of government for utilities and public infrastructure improvements (*joint with Johnson County*).
- e. **Automatic Cell Tower Placement** – The City of Gardner supports the repeal of 2016 Legislation granting the automatic placement of cell towers in city and county owned right-of-way to allow regulation of the placement of cell towers by reasonable local zoning processes which review important community values such as safety and neighborhood concerns (*joint with Johnson County*).
- f. **Preservation of Pass-Through Revenue** – The City of Gardner supports the preservation and funding of local government revenues which pass through the State's treasury, including Local Ad Valorem Property Tax Reduction (LAVTRF), City County revenue Sharing (CCRS), alcoholic liquor tax funds, and the local portion of motor fuel tax to local governments (*joint with Johnson County*).
- g. **Unfunded Mandates** – The City of Gardner maintains its opposition to mandated responsibilities from the state without full funding (*joint with Johnson County*). The imposition of State mandates and programs on local governments without accompanying State funding is contrary to the spirit

of constitutional home rule. Any function or activity mandated by the State upon local governments, without any alternatives to avoid the additional costs, should be fully and continuously funded by the State.

- h. Local Control of Revenue – The City of Gardner opposes any State regulations that would limit the amount of revenue a local government can raise or spend on a year-to-year basis.

2. **Tax Policy** – The City maintains the following position on taxes:

- a. General Tax Policy – The City of Gardner supports stable revenue sources and urge the Kansas Legislature to avoid applying any further exemptions to the ad valorem property tax base, including exceptions for specific business entities or the state/local sales tax base, as well as industry-specific special tax treatment through exemptions of property classification. The local tax burden has shifted too far to residential property taxes dues to state policy changes (*joint with Johnson County*).
- b. Uniform Property Tax Assessments – The City of Gardner supports state legislation that would standardize the process of assessing property values for taxation purposes, including the requirement that such valuations should be tied to local MLS sales comparisons and exclusive of hypothetical values or automatic value escalators over and above MLS and commercial sales comparables.
- c. Local Option Sales Taxes – The City of Gardner maintains that local officials and their residents should determine local sales tax and use rates and opposes any legislation that would preempt local authority to set these rates. Gardner supports existing authority of local governments to impose local sales taxes for special uses.
- d. Sales Tax Exemption – The City of Gardner supports the current law that exempts local government and public construction projects from sales tax (*joint with Johnson County*). State imposed sales tax on government purchases and projects will increase costs and lead to a reduction in services. Purchases have to be made and construction must occur; imposition of a sales tax would increase the local tax burden to cover those added costs. This sales tax revenue does not help local government, but in fact hurts our local economy and our residents who have to pay higher property taxes.
- e. Property Tax Lid – The City of Gardner opposes the property tax lid in its entirety. Should the property tax lid remain in place, we oppose the removal of any of the current property tax lid exemptions as cited in applicable Kansas Statutes. Removal of the exemptions could prevent the City from investing in critical infrastructure and increase the cost of debt. Gardner supports modifying current legislation so that a public vote is based on a protest petition provision.
- f. Delinquent Special Assessments – Gardner supports legislation that would expedite the process of collecting delinquent special assessments.

- g. Collection of Compensating Use Tax on Remote Sales – The City of Gardner supports legislation facilitating the collection of compensating use tax from purchases made from sellers with no physical presence in Kansas based on the U.S. Supreme Court decision in *South Dakota v. Wayfair (joint with Johnson County)*. Sales tax collected should be distributed using existing methods/formulas for the state and local governments.
 - h. Sales Tax Reductions on Food and Pharmaceuticals – The City of Gardner supports the state's thoughtful consideration of reductions in sales tax on food and pharmaceuticals, while balancing the impact on, and obligations of, counties and local units of government across the State *(joint with Johnson County)*.
 - i. Property Tax Relief for Low Income Seniors – The City of Gardner supports expanding the eligibility of the current programs Homestead Act and SAFESR – Kansas Property Tax Relief for Low Income Seniors to provide property tax relief for those on fixed incomes *(joint with Johnson County)*. In addition, we support any and all efforts by the State Legislature to implement enabling legislation to allow for a more robust Homestead Property Tax Exemption for all Kansas homeowners, not just those on fixed incomes.
3. **Transportation Issues** – The City of Gardner supports funding of a comprehensive transportation plan including highways, airports, trails, and transit *(joint with Johnson County)*

The City of Gardner supports the following policies:

- a. Support a State Program for Funding Transportation Improvements – Gardner supports addressing emerging needs beyond T-Works and believes the criteria for project selection should consider economic development opportunities. The program is required to fund projects that will support the continued economic growth of the City of Gardner, which will benefit the region, and the entire state. Specific projects identified in need of funding include:
 - ***I-35 and Gardner Road Interchange:*** This is currently a relatively small diamond interchange originally constructed in 1959, when Gardner's population was about 1,600. Today the population is 23,000, and the Logistics Park Kansas City (LPKC) industrial development is located just one mile west on 191st Street. In the 3-year period from 2015 to 2017, since the development of the LPKC, accidents have increased 330% in this vicinity.

Currently, the City of Gardner is working with KDOT to design the first phase of the project to relieve the immediate pressure and conflict point: relocating 191st Street and signaling the ramp terminus. The project is funded with both Federal Funding (STP) and KDOT funds, along with a City of Gardner Contribution of \$2,615,000. However, the

future DDI designed to meet the traffic requirements of the region remains unfunded. The future DDI is vital to developing economic opportunities near the interchange.

- *Reconfiguration of the I-35 and US-56 interchange to urban diamond:* Capacity improvements are needed at I-35 and US-56 (175th Street, Exit 210) to service expanding business at both the New Century Air Center and the Midwest Commerce Center located just west of the interchange. Industrial, retail and residential development is beginning to occur along the 175th Street corridor between the interchange and US169. Development from New Century Air Center, Midwest Commerce Center and points east will significantly increase traffic along this corridor and will further accelerate the need for capacity improvements at this interchange.
- *Other Projects:*
 - US-56 and Waverly Road intersection.
 - Reconstruction of US-56 thru Gardner.
 - New interchange at I-35 and Moonlight/183rd Street.
 - Capacity improvements on I-35 south of the new Lone Elm interchange to at least the Johnson County line.
- b. *Support Funding for Local Programs and the Special City County Highway Fund-* Gardner supports funding for Local Programs. Administered by KDOT, Local Programs provide assistance to municipalities for improvements of arterial roadways, connecting links, safe routes to school, and Special City County Highway Fund. The City of Gardner maintains approximately 195 lane miles of local roadways. The City's current transportation master plan identifies and recommends \$9 million in improvements over the next 5 years, and over \$130 million in improvements through 2040. Maintaining and improving the City's arterial roads would not be possible without the Special City County Highway Fund.
- c. *Support Funding KDOT Preservation and Preventative Maintenance -* Gardner supports KDOT preservation and preventative maintenance funding. Roadways require regular, timely maintenance including: sweeping, thin-surface treatments, overlays, striping, and signage.
- d. *Support for KDOT Aviation Funding* – Gardner owns and operates The Gardner Municipal Airport, K34, a community airport, included in the FAA's National Plan of Integrated Airport Systems. The airport's role within the Kansas Aviation System Plan is identified as a community airport, intended to serve a supplemental role in the local economy, primarily serving smaller business, recreational and personal flying.

The Gardner Municipal Airport CIP contains \$5.6 million in projects over the next 10 years, much of which is not fundable under existing FAA programs. As such, the City supports both continued and enhanced support for KDOT Aviation Funding.

- e. *New Sources of Revenue to Increase Transportation Funding and the Property Tax Lid* - Gardner supports finding new funding sources, which may be required to support transportation funding including potentially new motor fuel taxes, taxes on electrics/hybrids, new license and/or registration fees, toll Revenues & user fees, vehicle weight fees, and other revenue sources. Locally, funding for transportation maintenance is hampered by the property tax lid. The restriction limits the ability of local governments to capture valuation growth and cripples the ability of communities to keep pace with the demand for services. Often, this means that road improvements and maintenance are deferred, as they must compete with other needs and services with limited sources of revenue.
4. **Technology Issues** – The City of Gardner believes forward-looking policies concerning technology are vital to future growth and development.

The City of Gardner supports the following policies:

- a. *Data Sharing* – The City of Gardner supports the State investing in their information technology systems to enable effective data sharing between departments and with their community partners, the ability to extract data for decision making, and providing effective and efficient service to those receiving services (*joint with Johnson County*). The City of Gardner further believes in the importance of ensuring the security and privacy of such data transfers.
 - b. *Broadband Development and Access* – The City of Gardner supports policies enabling broadband development and access to improve economic development, telemedicine care, and government efficiency (*joint with Johnson County*).
 - c. *Publication of Required Notices* – The City of Gardner supports amending current statutes to allow local governments the option of publishing required notices on their official local government website in lieu of publication in a newspaper (*joint with Johnson County*).
5. **KPERS Funding** –The City of Gardner supports the State fully funding its portion of the employer contributions at the Actuarial Required Contribution (ARC) levels and at the required times (*joint with Johnson County*). We believe Local governments have fully funded their share of the KPERS pool. The system should accumulate sufficient assets during members' working lifetimes to pay all promised benefits when members retire. The actuarial levels of the local government assets need to be protected from the state shortfall.
6. **Development of a Comprehensive Economic Development Plan for the State of Kansas** The City of Gardner supports statewide economic development (*joint with Johnson County*). We strongly encourage the State of Kansas to develop a comprehensive plan to foster and enhance the State's economy.
7. **Dark Store Theory** – The City of Gardner opposes any legislation based on hypothetical lease valuations or the dark store theory, which suggests that commercial properties should

be valued as-if-vacant and available for sale or rent to a future hypothetical user rather than in the current use, which is often a functioning, occupied store (*joint with Johnson County*).

8. **Environmental Plans** – The City of Gardner supports the state’s efforts to develop and implement cost-effective, scientifically based environmental plans and provide local governments flexibility and resources to meet their environmental goals (*joint with Johnson County*).
9. **State Water Plan** – The City of Gardner supports fully funding the State Water Plan (SWPF) (*joint with Johnson County*).
10. **Protections for Individuals Against Discrimination** – The City of Gardner unequivocally believes in the inherent and equal rights and worth of all individuals, regardless of Race, Color, Religion, Gender, Age, National Origin, Veteran Status, Disability, Genetic Information & Testing, Family & Medical Leave, Sexual Orientation and Gender Identity or Expression. We also believe that passing ordinances at the local level which place adjudication and enforcement of these stances in the hands of city government resources that are not equipped to handle them is not prudent, and could expose municipalities such as our own to undue litigation. In light of this, we would instead prefer that any protective acts or adjudications, as with Title VII of the United States Civil Rights Act, be handled at the state and federal levels where there are already adequate resources in place to handle anti-discrimination and harassment cases.

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 2

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: AMY NASTA, SENIOR MANAGEMENT ANALYST

Agenda Item: Consider adopting an ordinance amending sections of the Gardner Municipal Code levying certain fees to be established by the Governing Body by resolution

Strategic Priority: Fiscal Stewardship

Department: Administration

Staff Recommendation:

Staff recommends Council adopt a housekeeping ordinance levying certain fees to be established by the Governing Body by resolution.

Background/Description of Item:

At the March 16, 2020, City Council meeting, the Governing Body will consider adopting a resolution establishing fees. Staff recommends updating eight (8) sections of the Gardner Municipal Code to allow the Governing Body to levy fees for certain items listed below. The intent of this ordinance is as follows:

- Provide consistency and/or clarity with regard to how fees and charges for certain items shall be established.
- Ensure that administrative costs associated with each item are accounted for and charged accordingly so that only those wishing to obtain a service pay for said service, rather than inadvertently subsidizing specific services due to potential inconsistencies in fee assessment.
- Ensure that all staff, citizens, and others all have access to the same list of fees so that there is transparency for citizens and others, and so that staff are better empowered to assess and collect fees appropriately.

The sections of code to be amended are as follows:

- **GMC 8.06.020(B)**, pertaining to foundation repair permits
- **GMC 8.06.020(E)**, pertaining to roof permits
- **GMC 8.06.020(J)**, pertaining to fence permits
- **GMC 13.10.060**, pertaining to water tap fees
- **GMC 13.30.010**, pertaining to sewer tap inspection fees
- **GMC 17.05.040(B)**, pertaining to in-home daycare permits
- **GMC 17.05.040(G)**, pertaining to homestead farming permits
- **GMC 17.05.050(Y)(9)**, pertaining to Temporary Use Permits for Food and Beverage – Mobile uses

It should be noted that the proposed ordinance in and of itself does not set any fees. The ordinance gives the Governing Body the ability to set these fees by resolution as it sees fit.

A summary of the proposed changes has been attached for your reference.

Suggested Motion:

Adopt Ordinance No. 2652, an ordinance amending sections 8.06.020(B), (E) and (J), 13.10.060, 13.30.010, 17.05.040(B), 17.05.040(G)(2), and 17.05.050(Y)(9) levying certain fees to be established by the Governing Body by resolution.

ORDINANCE NO. 2652

AN ORDINANCE AMENDING SECTIONS 8.06.020(B), (E) AND (J), 13.10.060, 13.30.010, 17.05.040(B), 17.05.040(G)(2), AND 17.05.050(Y)(9) LEVYING CERTAIN FEES TO BE ESTABLISHED BY THE GOVERNING BODY BY RESOLUTION

WHEREAS, the City of Gardner strives to increase and maintain clarity, consistency, and transparency in the fee process;

WHEREAS, the City's fee schedules need to be updated to establish fees for certain types of services not previously established;

WHEREAS, said fees are directly related to the cost reasonably necessary to provide each service;

WHEREAS, it is the intent of the Governing Body to accomplish a general housekeeping ordinance to establish said fees;

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

SECTION ONE: GMC Chapter 8.06.020(B) is hereby amended to read as follows:

B. Foundation. The foundation of a structure shall be maintained higher than the adjacent ground level and have no openings large enough to allow animals to enter under the structure, except for necessary crawlspace ventilation. All crawlspace ventilation shall be properly maintained in accordance with the adopted building codes and shall prevent the intrusion of animals into the structure. The foundation elements shall support all the structure's bearing points. Any repair or replacement of the foundation shall be done using materials approved by the adopted building codes and that are compatible with the existing foundation.

1. *Permits.* There is hereby levied a foundation repair permit fee. Said permit fee shall be set by the Governing Body by resolution.

SECTION TWO: GMC Chapter 8.06.020(E) is hereby amended to read as follows:

E. Roof, Guttering and Drainage. The roof and flashing shall be sound, tight, and not admit rain into the interior portions of the walls or to the occupied spaces of the building. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters, and downspouts shall be maintained in good repair, free from obstructions, and shall be properly anchored so as to be kept in a safe and sound condition. Roof water and water from intermittent sources such as discharges from sump pumps, foundation drains, or other similar sources, excluding lawn sprinklers, shall not be discharged at a point closer than four feet to any adjoining property line nor in a manner that creates a public or private nuisance.

1. *Permits.* There is hereby levied a roof permit fee. Said permit fee shall be set by the Governing Body by resolution.

SECTION THREE: GMC Chapter 8.06.020(J) is hereby amended to read as follows:

J. Fences. All fencing, including gates, shall be maintained in sound condition free of damage, broken pieces or sections, or missing structural members. Areas that are leaning, buckling, sagging, deteriorating, or have fallen down shall be repaired or replaced with materials that are compatible with the undamaged portions of the fence or removed. New fencing materials shall also be compliant with the fence materials listed in GMC 18.140.100(C). Where fencing has been previously painted or stained and there are areas of chipping, peeling, scaling or missing paint greater than 20 percent inside or outside of the fence surface area, then such surface shall be repainted or stripped of all paint and given a water-resistant coating if necessary. The inside face will count separate of the outside face of the fence when a calculation for 20 percent of the surface area is made, therefore one or both surfaces could constitute a violation.

1. *Permits.* There is hereby levied a fence permit fee. Said permit fee shall be set by the Governing Body by resolution.

SECTION FOUR: GMC Chapter 13.10.060 is hereby amended to read as follows:

All service pipes shall be laid by the applicant or their designee from the main to the structure. Parties desiring water shall pay a meter installation charge which shall include tapping of the water main and the installation of the water meter. There is hereby levied a water tap fee. Said water tap fee shall be set by the Governing Body by resolution. No plumber, customer or other person shall extend pipes from one property or street address to another without special written consent from the City of Gardner

SECTION FIVE: GMC Chapter 13.30.010 is hereby amended to read as follows:

Every building where persons reside, congregate, or are employed which abuts a street or alley in which there is a public sanitary sewer, or which is within 200 feet of a public sanitary sewer, shall be connected to the sewer, by the owner or agent of the premises, in the most direct manner possible, and with a separate connection for each home or building, and installed within 12 months after sewers are available to the premises. Each connection and each fixture emptying through the connection shall be installed in the manner prescribed by the Plumbing Code of the City. There is hereby levied a sewer tap inspection fee. Said inspection fee shall be set by the Governing Body by resolution.

SECTION SIX: GMC Chapter 17.05.040(B) is hereby amended to read as follows:

B. **Accessory In-Home Day Care.** Where in-home day care services for children are permitted as an accessory use to a residence subject to additional standards (as indicated in Table 5-2), the use shall be approved by the Business and Economic Development Director or designee after being found to be in accordance with the following standards:

1. The day care provider shall provide evidence of any applicable license, certification or registration required by a state or federal agency.
2. The primary day care provider shall reside on the premises.
3. Outdoor play areas shall be fenced. Outdoor play shall only occur between the hours of 8:00 a.m. and 9:00 p.m.
4. No traffic shall be generated by any day care operation in substantially greater volume than would normally be expected in a residential neighborhood. No vehicle or delivery truck shall block or interfere with normal traffic circulation. If parking for a day care operation occurs in a manner or frequency causing disturbance to the normal traffic flow for the neighborhood, the operation shall be considered best permitted according to applicable regulations as a day care center

5. *Permits.* There is hereby levied an in-home day care permit fee. Said permit fee shall be set by the Governing Body by resolution.

SECTION SEVEN: GMC Chapter 17.05.040(G)(2) is hereby amended to read as follows:

2. *Permits.*

a. There is hereby levied a homestead farming permit fee. Said permit fee shall be set by the Governing Body by resolution.

b. A conditional use permit subject to applicable standards is required if the above standards cannot be met.

SECTION EIGHT: GMC Chapter 17.05.050(Y)(9) is hereby amended to read as follows:

9. *Permits.*

a. All necessary permits for facilities, public safety, or insurance shall be obtained prior to the final approval and activation of the use

b. There is hereby levied a temporary use permit fee for Food and Beverage – Mobile uses. Said permit fee shall be set by the Governing Body by resolution.

SECTION NINE: Effective Date. This Ordinance shall take effect and be in force upon its passage by the City Council and publication in the official City Newspaper as required by law.

PASSED by the City Council this 2nd day of March, 2020.

SIGNED by the Mayor this 2nd day of March, 2020.

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 3

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: AMY NASTA, SENIOR MANAGEMENT ANALYST

Agenda Item: Consider adopting an ordinance amending sections of the Gardner Municipal Code relating to the payment of fees for certain services, permits and licenses.

Strategic Priority: Fiscal Stewardship

Department: Administration

Staff Recommendation:

Staff recommends Council adopt a housekeeping ordinance clarifying that certain fees and charges shall be set by the Governing Body by resolution.

Background/Description of Item:

At the March 16, 2020, City Council meeting, the Governing Body will consider adopting a resolution establishing fees. Staff recommends updating four (4) sections of the Gardner Municipal Code to provide consistency and/or clarity with regard to how fees and charges for certain items shall be established.

The sections of code to be amended are as follows:

- **GMC 2.45.120**, pertaining to open records
- **GMC 11.05.090**, pertaining to hangar rates
- **GMC 12.05.117(B)**, pertaining to right-of-way permits and fees
- **GMC 14.01.607 (A)**, pertaining to land disturbance permit fees

It should be noted that the proposed ordinance does not add or change any existing fees.

A summary of the proposed changes has been attached for your reference.

Suggested Motion:

Adopt Ordinance No. 2653, an ordinance amending sections 2.45.120, 11.05.090, 12.05.117(b), and 14.01.607(a) of the Gardner Municipal Code relating to the payment of fees for certain services, permits and licenses.

ORDINANCE NO. 2653

AN ORDINANCE AMENDING SECTIONS 2.45.120, 11.05.090, 12.05.117(B), AND 14.01.607(A) OF THE GARDNER MUNICIPAL CODE RELATING TO THE PAYMENT OF FEES FOR CERTAIN SERVICES, PERMITS AND LICENSES.

WHEREAS, THE CITY OF GARDNER KANSAS, ESTABLISHES FEES FOR CERTAIN SERVICES, PERMITS AND LICENSES; AND

WHEREAS, IT IS DETERMINED THAT SAID FEES SHALL BE SET BY RESOLUTION; AND

WHEREAS, IT IS THE INTENT OF THE GOVERNING BODY TO ACCOMPLISH A GENERAL HOUSEKEEPING ORDINANCE TO CLEAN UP THE CITY'S ORDINANCES RELATED TO FEES;

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF GARDNER, KANSAS:

SECTION ONE: Chapter 2.45.120 is hereby amended to read as follows:

2.45.120 - Fee Administration. The official custodians are hereby empowered and authorized to promulgate appropriate rules and regulations for the collection of fees. Fees shall be set by the Governing Body by resolution. All fees charged pursuant to this Section shall be paid to the City of Gardner for credit in the General Fund.

SECTION TWO: Chapter 11.05.090 is hereby amended to read as follows:

11.05.090 - Fees and Charges - All aircraft hangar rental rates, and other fees and charges for the use of hangars, and services provided at the Gardner Municipal Airport shall be set by the Governing Body by resolution. The Airport Manager shall have the authority to set fuel prices

SECTION THREE: Chapter 12.05.117(B) is hereby amended to read as follows:

12.05.117(B) – Right-of-way permit fees and costs

B. The right-of-way permit fee may include a permit and inspection fee, and an excavation fee. This fee shall be set by the Governing Body by resolution.

SECTION FOUR: Chapter 14.01.607(A) is hereby amended to read as follows:

14.01.607(A) – Fees –

A. Prior to the issuance of the LDP, upon submission of an application for an LDP, each applicant shall pay to the City a fee. This fee shall be set by the Governing Body by resolution. Fees paid for an LDP which is subsequently revoked by the City Engineer are not refundable. A person operating in compliance with the regulations of this chapter shall not be charged a permit fee when obtaining an LDP for land disturbance activities, construction or renovation of City-owned and City-financed capital improvement projects

SECTION FIVE: Effective Date. This Ordinance shall take effect and be in force upon its passage by the City Council and publication in the official City Newspaper as required by law.

PASSED by the City Council this 2nd day of March, 2020.

SIGNED by the Mayor this 2nd day of March, 2020.

2.45.120 Fee Administration.Original Text:

The official custodians are hereby empowered and authorized to promulgate appropriate rules and regulations for the collection of fees which shall not exceed the actual cost of furnishing copies, including the cost of staff time required to make the information available. In the case of fees for providing access to records maintained on computer facilities, the fees shall include only the copies of any computer services, including staff time required. All fees charged pursuant to this section shall be paid to the City of Gardner for credit in the General Fund

Updated Text:

The official custodians are hereby empowered and authorized to promulgate appropriate rules and regulations for the collection of fees. **Fees shall be set by the Governing Body by resolution.** All fees charged pursuant to this Section shall be paid to the City of Gardner for credit in the General Fund.

- *Removes language necessitating staff's establishment of fees. Adds language "Fees shall be set by the Governing Body by Resolution". This provides consistency with other fees, and allows fees to be more transparent and easily available to the general public through their inclusion in a resolution passed by the Governing Body*

11.05.090 – Fees and chargesOriginal Text:

The Governing Body shall establish all aircraft hangar rental rates, and other fees and charges for the use of hangars, and services provided at the Gardner Municipal Airport. The Airport Manager shall have the authority to set fuel prices

Updated Text:

All aircraft hangar rental rates, and other fees and charges for the use of hangars, and services provided at the Gardner Municipal Airport **shall be set by the Governing Body by resolution.** The Airport Manager shall have the authority to set fuel prices

- *Adds language "by resolution" to clarify that this fee shall be set by resolution. The word order of the sentence has been changed for consistency and enhanced clarity of message.*

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 4

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: JAMES BELCHER, CHIEF OF POLICE

Agenda Item: Consider authorizing the execution of an agreement with the Kansas Governor's Grant Program for the Services/Training/Officers/Prosecutors Violence Against Women Act (S.T.O.P. VAWA) Grant

Strategic Priority: Improve Quality of Life

Department: Police

Staff Recommendation:

Staff recommends authorizing the execution of an agreement between the City of Gardner and Kansas Governor's Grant Program (KGGP) to initiate the implementation of a special investigative position that specifically addresses violent crimes committed against women, including sexual assault and domestic violence, by hiring a detective dedicated to that position.

Background/Description of Item:

In 2018, there were 134 domestic violence offenses in Gardner, up from 78 in 2017, for a 72% increase in just one year. Sexual violence is also on the rise in Gardner. In 2017, there were 11 cases of rape reported to Gardner law enforcement. That number doubled to 22 in 2018, an increase of 200%. According to a national study, one in six women will be the victim of a completed or attempted rape in her lifetime, but less than 20% of all rapes are reported.

Currently, Gardner Police Department does not have a detective dedicated to domestic and sexual violence. Studies show that people who become victims of crime are generally at higher risk of being re-victimized. This funding will assist law enforcement officers in protecting victims from intimidation and educate them to decrease their likelihood of re-victimization, thereby helping community members feel safer and more secure.

The nature of the crimes being investigated require much more time and resources from law enforcement agencies than other crimes because they work with victims throughout the entire process. A detective dedicated solely to working these types of crimes could focus on coordinating victim assistance advocates and other resources, without other cases competing for time and/or effort.

In November 2019, the City of Gardner applied for grant funds from the KGGP for this initiative. Due to a delay from the State, the City was not notified the application had been approved until February 20, 2020. The State adjusted the budget to reflect a 9-month grant period, versus one year. The grant period will end December 31, 2020.

The KGGP grant has a minimum 25% matching requirement. KGGP will reimburse the City \$57,471 for personnel and fringe for the detective position.

Financial Impact:

Funds for the special position will come from:

KGGP \$57,471

City of Gardner General Fund \$18,839

Attachments Included:

- Award Letter from KGGP
- Grant Assurances

Suggested Motion:

Authorize the City Administrator to execute an agreement between KGGP and the City of Gardner for the STOP VAWA Grant and authorize the expenditure of \$18,839 of revenues in the City's general fund for the required matching funds.

Ms. Jen Jordan
Gardner Police Department
440 E. Main
Gardner, KS 66030

Dear Ms. Jordan:

I am pleased to inform you Gardner Police Department has been awarded a Federal S.T.O.P. Violence Against Women Act (VAWA) grant. These grant funds are entrusted to develop and strengthen effective responses to violence against women. Thank you for providing these critically important services.

In order to process your grant award, follow the instructions in the email message for accessing and submitting the grant award documents. Please read the instructions carefully as the requirements to open a grant award have changed. The Kansas Governor's Grants Program staff is available to provide assistance and answer questions. I sincerely appreciate and value the commitment and dedication of Gardner Police Department staff to survivors of violence against women in Kansas.

Best Regards,

Laura Kelly
Governor

KANSAS GOVERNOR'S GRANTS PROGRAM
Federal S.T.O.P. Violence Against Women Formula Grant Program
Grant Assurances for Calendar Year 2020

The subgrant award listed below is available for expenditure in accordance with the agency's approved application under the Federal Services, Training, Officers, Prosecutors (S.T.O.P.) Violence Against Women Formula Grant Program (VAWA), as established by 34 U.S.C. §10441 and §§10446-10451 and amendments thereto, and awarded to the State of Kansas through Federal Award Number 2018-WF-AX-0011 on September 17, 2018, by the U.S. Department of Justice, Office on Violence Against Women.

The funds distributed to the Subgrantee by the State of Kansas will be administered by the Kansas Governor's Grants Program (KGGP) and used to combat violence against women as allowed by 34 U.S.C. §10441 and §§10446-10451 and amendments thereto. The distribution of grant funds is contingent upon receipt of adequate funds and appropriations to the KGGP. All terms of the grant award are non-negotiable by the Subgrantee.

The Catalog of Federal Domestic Assistance, or CFDA, number for the Federal S.T.O.P. Violence Against Women Formula Grant Program is 16.588. This document contains information specific to this federal grant program.

The subgrant project awarded to **Gardner Police Department** (Subgrantee), Unique Entity Identifier: **DUNS 027582832**, is for the total amount of **\$76,628**. The portion of the grant award funded by the federal VAWA grant (75% of the total grant project) is **\$57,471**. The portion of the grant award that must be funded by the Subgrantee (25% non-federal cash or in-kind match) is **\$19,157**. The use of non-federal match is restricted to the same guidelines, purposes, and allowable costs as the federal funds. Hereinafter, all references to the "grant award" or "grant project" are inclusive of both federal funds and non-federal match.

The grant project number for this subgrant award is **20-VAWA-28**. As stated in the Subgrantee application, the approved project description is:

Initiate the implementation of a special investigative position that specifically addresses violent crimes committed against women and increase community education on the topic.

With acceptance of this grant award, the Subgrantee assures to the following:

1. **AWARD PERIOD:** This grant award is for the period January 1, 2020, to December 31, 2020. The Subgrantee shall not allocate any expense made or incurred prior to January 1, 2020, or after December 31, 2020, to this grant award. The Subgrantee shall not allocate any expenditure for any activity, event, or conference that will occur outside the grant award period. All grant award expenses properly obligated on or before December 31, 2020, must be paid within 30 days following the end of the grant award period.
2. **APPROVED PURPOSES AND LIMITATIONS:** Grant project funds shall only be expended for the program described in 34 U.S.C. §10441 and §§10446-10451 and amendments thereto; for the purpose approved by the KGGP; in accordance with any

_____ (initials of Authorized Certifying Official)

terms and conditions the KGGP attaches to the grant award; and for approved VAWA activities, attributable to the VAWA approved project.

The Subgrantee shall not be approved to use grant funds as follows:

- To supplant federal, state, or local funds that would otherwise be available to combat violence against women;
 - For fundraising or research outside the statutory scope of the VAWA grant program, either directly or indirectly (this does not include program assessments conducted only for internal improvement purposes);
 - For construction or renovation and/or purchase of land;
 - To lease, construct, expand, acquire, remodel, renovate, repair, furnish, or make improvements to buildings or similar facilities or for other capital outlay or equipment not expressly authorized; or
 - To pay debts or support other agency programs, initiatives, or expenses incurred by other activities beyond the scope of the approved VAWA project.
3. **SOLICITATION:** The Subgrantee shall be in compliance with the specifications outlined in the solicitation under which the submitted application was approved. The terms and conditions of the VAWA solicitation are hereby incorporated by reference into this award.
4. **LAWS AND REGULATIONS:** The Subgrantee shall comply with all applicable state and federal laws and regulations that include, among other relevant authorities, the following:
- The Federal Violence Against Women Act of 1994, P.L. 103-322;
 - The Federal Violence Against Women Act of 2000, P.L. 106-386;
 - The Federal Violence Against Women and Department of Justice Reauthorization Act of 2005, P.L. 109-162;
 - The Federal Violence Against Women Reauthorization Act of 2013, P.L. 113-4;
 - The Federal Office on Violence Against Women implementing regulations at 28 C.F.R. Part 90;
 - The Federal Omnibus Crime Control and Safe Streets Act of 1968, as amended, 34 U.S.C. §§10228(c) and 10221(a);
 - The provisions of 28 C.F.R. applicable to grants (including Parts 18, 22, 23, 30, 35, 38, 42, 54, 61, and 63) and the award term in 28 C.F.R. §175.15(b);
 - The Federal Program Guidelines for the VAWA;
 - The copyright provisions set forth in 28 C.F.R. §66.34;
 - The VAWA Program Guidelines and Reporting Requirements as established by the KGGP;
 - The Drug-Free Workplace Act of 1988, implemented at 28 C.F.R. Part 67, Subpart F, for grantees, as defined at 28 C.F.R. §67.615 and 28 C.F.R. §67.620; and
 - The requirements of the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition.

_____ (initials of Authorized Certifying Official)

The Subgrantee shall comply with all applicable restrictions on the use of these federal VAWA grant project funds set out in federal appropriations statutes. The Subgrantee shall refer to pertinent restrictions and general provisions set out for [Federal Fiscal Year 2016](#), [Federal Fiscal Year 2017](#), [Federal Fiscal Year 2018](#), or [Federal Fiscal Year 2019](#) as applicable.

In addition, a Subgrantee that enters into any contractual or mutual agreement in which a specific role or responsibility of the approved VAWA grant project is assumed by the partnering/contractual entity, will be responsible for assuring compliance with requirements in the Grant Assurance document is met by the partnering/contractual entity.

5. **VICTIM SAFETY:** The Subgrantee understands that victim safety is a guiding principle that underlies the VAWA grant program. The goals and services of the Subgrantee shall reflect this principle accordingly.
6. **CONFIDENTIALITY:** The Subgrantee assures written policies and procedures are in place to ensure the confidentiality of records pertaining to persons receiving assistance or services from any Subgrantee grant project funded in full or in part by VAWA. The Subgrantee shall not disclose personally identifying information about crime victims without a signed informed time-limited written release unless the disclosure of the information is required by a statute or court order. The Subgrantee shall comply with all applicable federal and state confidentiality laws including, but not limited to, 34 U.S.C. §12291(b)(2), The McKinney-Vento Homeless Assistance Act, and 42 U.S.C. §11363 and amendments thereto.
7. **BREACH OF PERSONALLY IDENTIFIABLE INFORMATION:** The Subgrantee has written procedures in place to respond in the event of an actual or imminent breach, as defined in OMB M-17-12, if the Subgrantee 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII), as defined in 2 C.F.R. 200.79, within the scope of a VAWA-funded program or activity, or 2) uses or operates a Federal information system, as defined in OMB Circular A-130. Such procedures must include a requirement to report actual or imminent breach of PII to the KGGP no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.
8. **DISSEMINATION OF CRIME VICTIMS' RIGHTS INFORMATION:** The Subgrantee assures that services and assistance provided by VAWA-funded staff and volunteers to crime victims shall include the dissemination of crime victims' rights information, including the statutory rights of crime victims and crime victim compensation. VAWA-funded staff and volunteers shall receive information and training on crime victim compensation and on all applicable laws pertaining to crime victims' rights.
9. **DIRECT VICTIM ASSISTANCE:** The Subgrantee shall use "Direct Assistance to Victims" funds only for the immediate health and safety of crime victims. Written

_____ (initials of Authorized Certifying Official)

documentation to support the use of these funds for this purpose must be maintained. The Subgrantee shall not use grant project funds to make direct payments to any crime victim or a dependent of any crime victim. Further, the Subgrantee assures that gift cards will not be provided directly to victims as a substitute for cash.

10. SERVICES AND ACTIVITIES THAT MAY COMPROMISE VICTIM SAFETY:

The Subgrantee shall not use grant project funds to support activities that may compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving VAWA-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g. seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted.

11. LEGAL ASSISTANCE ELIGIBILITY REQUIREMENTS: The Subgrantee assures any person providing legal assistance through this grant project has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or is partnered with an entity or person that has demonstrated such expertise and has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related issues, including training on evidence-based risk factors for domestic and dating violence homicide. Any training program that is conducted in satisfaction of this requirement shall have been or will be developed with input from and in collaboration with a State, local, territorial or tribal domestic violence, dating violence, sexual assault, or stalking victim service provider or coalition, as well as appropriate law enforcement officials. Further, the Subgrantee shall inform the State, local, territorial or tribal domestic violence, dating violence, stalking, or sexual assault programs, state coalitions, and State and local law enforcement officials of their work. The Subgrantee's organization policies shall not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The Subgrantee assures that grant funds will not be used to support any criminal defense work.

12. SERVICE POPULATION: The Subgrantee assures grant project funds will be used to serve or focus on adult and youth (age 11-24) women and girls who are victims of domestic violence, dating violence, sexual assault, or stalking. In addition, activities may

_____ (initials of Authorized Certifying Official)

support direct victim services for secondary victims such as children who witness domestic violence.

With the exception of any grant project award funded under federal purpose areas 17 or 19, activities must be focused on combating violence against women. However, the Subgrantee shall provide services to male victims who are in similar situations to female victims ordinarily served and who request services.

13. **REPORTING REQUIREMENTS:** The Subgrantee shall comply with any evaluative, statistical, or financial reporting requirements of the Federal VAWA Program or those set by the KGGP. Any grant requirement deadline not met in which there was not prior approval for an extension will result in consideration by the KGGP to suspend, decrease, or terminate the grant award. This requirement includes, but is not limited to, signed Grant Assurances, Special Conditions, financial reports, programmatic reports, and grant project compliance review requirements.
14. **DUNS and SAM:** The Subgrantee shall maintain a valid Data Universal Numbering System (DUNS) profile, managed at www.dnb.com/us. Further, the Subgrantee shall maintain an active registration status in the [U.S. System for Award Management \(SAM\)](http://www.dhs.gov/sam) for the duration of the grant award period.
15. **INTEGRITY AND PERFORMANCE MATTERS:** The Subgrantee shall comply with all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with this VAWA award or any other grant, cooperative agreement, or procurement contract from the federal government. Details of reporting obligations are posted at <https://www.justice.gov/ovw/file/870606/download>.
16. **TRAINING AND TECHNICAL ASSISTANCE:** The Subgrantee shall participate in KGGP-sponsored training or technical assistance events as required by the KGGP.
17. **PERSONNEL INFORMATION:** Job descriptions, résumés, and compensation, including salary/wages and bonuses, for all grant-funded staff shall be maintained by the Subgrantee and available for review by the KGGP. These grant project funds shall be utilized for the provision of approved services only and the job descriptions must reflect this requirement.

Employment Eligibility Verification: As part of the hiring process for any position that is or will be funded in whole or in part with VAWA funds, the Subgrantee has properly verified the employment eligibility of the individual being hired, consistent with the provisions of 8 U.S.C. §1324a(a)(1) and (2). Details related to this prohibited conduct related to trafficking in persons condition are posted at <https://www.justice.gov/ovw/page/file/1202146/download> and are incorporated by reference in this assurance. It is the responsibility of the Subgrantee to notify all persons involved in grant project activities and/or the hiring process of this requirement, provide training necessary to ensure compliance with this requirement, and maintain records to verify employment eligibility pertinent to compliance with this condition in accordance

_____ (initials of Authorized Certifying Official)

with Form I-9 record retention requirements and the aforementioned notification and training. To satisfy this requirement, the Subgrantee may participate in and use E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the Subgrantee uses E-Verify to confirm employment eligibility for each hiring for a position this is or will be funded with grant project funds. Nothing in this condition shall be understood to authorize or require any Subgrantee, person or other entity to violate any federal law, including any applicable civil rights or nondiscrimination law.

18. **INTERACTION WITH PARTICIPATING MINORS:** The Subgrantee has or will, for any VAWA-funded activity benefitting a set of individuals under 18 years of age, make determinations of suitability before certain individuals may interact with participating minors, regardless of an individual's employment status. The Subgrantee shall refer to <https://www.justice.gov/ovw/page/file/1202141/download> for details of this requirement.
19. **TIME AND ACTIVITY:** The Subgrantee shall keep daily time and activity records for all staff funded by this grant project that document the services and grant projects that the staff person worked on and the time spent providing the services or programs. Such time and activity records must account for 100 percent of staff time regardless of the percentage funded by this grant award and shall reflect actual activities performed and the actual time spent on such activities, by each employee. Activity records that are "recycled" week to week are not allowable. The Subgrantee shall use the time and activity records to distribute actual payroll and related fringe benefits costs to each funding source for each pay cycle accordingly. Time and activity records shall be signed by the staff member and supervisor and shall be kept and compiled in the subgrantee's administrative files and available for review. By signing the records, the employee and supervisor are certifying the records are true, complete, and accurate. Volunteer service hours used as match must be documented and, to the extent feasible, supported by the same methods used by the organization for paid employees.

These requirements extend to outside employees and persons who will perform contractual work. Subgrantees shall keep time and activity documentation in hourly increments for contractors providing direct client services, training, or consulting funded by this grant project. For agency contracts entered into for operating costs including, but not limited to, janitorial services, website services, technology services, and maintenance, the Subgrantee shall retain copies of contracts and/or invoices but is not required to maintain detailed time and activity records.

20. **PROCUREMENT PRACTICES:** The Subgrantee shall comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently \$250,000). The Subgrantee shall contact the KGGP for guidance in meeting the necessary requirements for prior approval.

In procurement transactions, the Subgrantee will not discriminate on the basis of a person or entity's status as an "associate of the federal government," except as expressly set out

_____ (initials of Authorized Certifying Official)

in 2 C.F.R. 200.319(a) or as specifically authorized by the KGGP and the U.S. Department of Justice. The term “associate of the federal government” means any person or entity engaged or employed (past or current) by or on behalf of the federal government, as an employee, contractor or subcontractor, grant recipient or subrecipient, agency, or otherwise, in undertaking any work, project, or activity for or on behalf of the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity in future. Nothing in this condition shall be understood to authorize or require any Subgrantee, person or other entity to violate any federal law, including any applicable civil rights or nondiscrimination law.

- 21. ACCOUNTING:** Grant fund accounting, auditing, and monitoring procedures necessary to maintain records as the KGGP prescribes shall be employed to ensure fiscal control, proper management, and proper expenditure of grant project funds. The Subgrantee shall maintain books, records, documents, and other evidence to identify the costs directly associated with the delivery of services, specific outcomes, and benefits outlined in the approved grant application. This means that at a minimum:
- (a) The Subgrantee shall keep records that segregate these grant project federal and match funds from all other funds received by the Subgrantee, keep its accounting for this grant project separate from the accounting of other funds, and spend and report in accordance with the approved grant project budget by program and budget line items;
 - (b) The Subgrantee shall keep supporting documentation for all costs charged to this grant project. This includes payroll reports, time and activity records, invoices, and other financial documentation for all paid expenses; the portion of the grant project supported by other sources of revenue; contracts for services; and other records that facilitate an effective compliance review; and
 - (c) The Subgrantee shall adhere to the applicable financial and administrative rules as referenced in the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition, and the applicable requirements set forth in the Federal Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (hereinafter “Uniform Guidance”), [2 C.F.R. Part 200](#), as adopted and supplemented by the U.S. Department of Justice in [2 C.F.R. Part 2800](#).
- 22. ALLOWABLE COSTS:** All costs allocated to the VAWA grant project shall be consistent with the principles set out in the Federal OMB Uniform Guidance, [2 C.F.R. Part 200](#), Subpart E, and those permitted by the grant program’s authorizing legislation. Costs must be reasonable, allocable, and necessary to the grant project’s success.
- 23. INDIRECT COSTS:** Any indirect cost rate applied to the VAWA grant project will be approved by the KGGP prior to the application of such indirect costs against grant project expenditures. Further, the Subgrantee assures compliance with Section 200.414 of the

_____ (initials of Authorized Certifying Official)

Federal OMB Uniform Guidance, [2 C.F.R. Part 200](#), Subpart E, and the applicable appendices.

24. **PROGRAM INCOME:** The Subgrantee shall not generate program income unless written approval is first obtained from the KGGP. Any and all program income that is generated as a direct result of this grant award shall be used to supplement the grant project, shall be utilized prior to any request for grant funds, and must be accounted for and used for the purposes under the conditions applicable for the use of this grant project. This includes following the applicable federal requirements, the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition, and the Federal OMB Uniform Guidance, [2 C.F.R. Part 200](#), Subpart D. Further, the receipt and expenditure of program income must be reported to the KGGP quarterly on a Program Income/Expenditure Report.
25. **AUDIT REQUIREMENTS:** The Subgrantee shall undergo a financial statement audit conducted by an independent certified public accountant for the applicable agency fiscal period(s) under which these grant funds are expended. Such audit must comply with the applicable Federal OMB Uniform Guidance, [2 C.F.R. Part 200](#), Subpart F, organizational audit requirements and the Single Audit requirements. The financial statements are or will be accessible by the public. Nonprofit subgrantees shall mail to the KGGP a copy of the audit report(s) related to expenditure of these VAWA funds. Likewise, governmental subgrantees shall provide the KGGP specific instructions for accessing the entity's audit report(s) related to expenditure of these VAWA funds.
26. **RECORDS:** All records shall be subject at all reasonable times to inspection, review, or audit by State personnel and other personnel duly authorized by the KGGP, as well as Federal personnel. All financial records, supporting documentation, statistical records, and all other records pertinent to the grant award shall be retained by the Subgrantee for at least five years following the closeout of the grant award.
- The Subgrantee shall cooperate with any assessments, national evaluation efforts, or information or data collection requests including, but not limited to, the provision of any information required for the assessment or evaluation of activities within this project.
27. **EQUIPMENT:** The Subgrantee shall submit reports detailing the purchase of equipment within 30 days of the payment date. The Subgrantee assures that equipment purchased through this grant project will continue to be used for the purpose it was purchased for as long as needed, whether or not the agency continues to be supported by VAWA.
28. **FOOD AND/OR BEVERAGE:** The Subgrantee shall not use any portion of these funds, either directly or indirectly, to purchase food and/or beverage for any meeting, conference, training, or other event. This restriction does not apply to direct payments of per diem amounts to Subgrantee staff in a travel status under the Subgrantee's travel policy and approved in the VAWA grant project budget.

_____ (initials of Authorized Certifying Official)

29. **PUBLICATIONS AND MATERIALS:** All issued statements, publicity releases, or other documents (written, web-based, audio-visual, or any other format) describing the funded grant project, as well as all materials developed or published with funds from this grant award, shall contain an acknowledgment of support comparable to the following:

“This project was supported by Subgrant No. 20-VAWA-28 awarded by the Kansas Governor’s Grants Program for the Office on Violence Against Women, U. S. Department of Justice’s STOP Formula Grant Program. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Office of the Kansas Governor or the U.S. Department of Justice.”

This condition also extends to VAWA grant project-funded website services, which must contain the above acknowledgement. However, the Subgrantee assures that any VAWA grant project-funded website services will also meet the “Approved Purposes and Limitations” Grant Assurance and not contain fundraising or solicitation information.

The Subgrantee assures that two copies of all materials published or posted with grant project funds from this grant award shall be submitted to the KGGP at least 30 days prior to publication.

30. **TRAINING AND TRAINING MATERIAL:** The Subgrantee assures that any training or training materials developed or delivered with grant project funds, if approved in the VAWA award and project budget, will adhere to the [OVW Training Guiding Principles for Subgrantees](#) in the development and/or delivery of training and training materials. The Subgrantee shall submit two copies of all training information including training dates, agendas, and handout materials funded by this grant award to the KGGP at least 30 days prior to the training dates.

31. **COPYRIGHT:** Pursuant to 2 C.F.R. §200.315(b), the Office on Violence Against Women reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, in whole or in part (including in the creation of derivative works), for Federal Government purposes:

- (a) any work that is subject to copyright and was developed under this award, contract, or subcontract pursuant to this award; and
- (b) any work that is subject to copyright for which ownership was acquired by the Subgrantee or a contractor with support under this award.

In addition, the Subgrantee must obtain advance written approval from the KGGP and the Office on Violence Against Women and must comply with all conditions specified by the KGGP and the Office on Violence Against Women in connection with that approval before: 1) using award funds to purchase ownership of or a license to use a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

32. **EQUAL EMPLOYMENT OPPORTUNITY PROGRAM:** If required by federal (28 C.F.R. Part 42, Subpart E) and state law, the Subgrantee has formulated an equal employment opportunity (EEO) program.

The Subgrantee assures they have provided the U.S. Department of Justice, Office of Justice Programs, Office for Civil Rights (OCR) with a current Federal Office for Civil Rights EEO certification form and, if required, have created and submitted an EEO Utilization Report. Submissions must be made through the [Equal Employment Opportunity Program Reporting Tool](#). Documentation of this submission must be maintained by the Subgrantee and submitted with the Civil Rights Compliance Form. For assistance in setting up a new account, please refer to the [OCR EEO Reporting Tool Job Aid](#). The Subgrantee acknowledges that failure to submit an acceptable EEOP or applicable certification may result in suspension or termination of funding, until such time as the Subgrantee is in compliance. Technical assistance is available from the OCR at (202) 307-0690.

33. **CIVIL RIGHTS AND NONDISCRIMINATION:** The Subgrantee assures that all grant projects provided by the Subgrantee shall comply with all applicable nondiscrimination requirements including, but not limited to, the Omnibus Crime Control and Safe Streets Act of 1968, as amended, 34 U.S.C. §§10228(c) and 10221(a); Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. §2000(d) *et seq.*; Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. §794; Subtitle A, Title II of the Americans with Disabilities Act (ADA) of 1990, as amended, 42 U.S.C. §12131 *et seq.*; Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 *et seq.*; the Juvenile Justice and Delinquency Prevention Act of 2002, as amended, 34 U.S.C. §11182(b); the Age Discrimination Act of 1975, 42 U.S.C. §6101 *et seq.*; the Violence Against Women Act (VAWA) of 1994, as amended, 34 U.S.C. §12291(b)(13); Department of Justice Non-Discrimination Regulations, 28 C.F.R. Part 42, Subparts C, D, E, and G; Department of Justice regulations on disability discrimination, 28 C.F.R. Part 35 and Part 39; Department of Justice regulations on nondiscrimination in certain education programs, 28 C.F.R. Part 54; and 28 C.F.R. Part 46 and all U.S. Department of Justice, Office of Justice Programs policies and procedures regarding the protection of human research subjects.

Subgrantees shall refer to the U.S. Department of Justice Guidance, [Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 \(June 2013\)](#) and be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination.

Kansas Executive Order (EO) 19-02: Pursuant to [EO 19-02](#), the Subgrantee shall expressly require all hiring must be on the basis of individual merit and qualifications and expressly prohibit discrimination based on race, color, gender, sexual orientation, gender identity or expression, religion, national origin, ancestry, age, military or veteran status, disability status, marital or family status, genetic information, or political affiliation that

is unrelated to the person's ability to reasonably perform the duties of a particular job or position.

Kansas EO 18-04: Pursuant to [EO 18-04](#), the Subgrantee:

- Shall comply with all state and federal employment discrimination laws prohibiting sexual harassment and retaliation in the workplace;
- Shall establish agency policies regarding sexual harassment, discrimination, retaliation, confidentiality and anonymous reporting, applicability to intern positions, and training of the policy; and
- Shall conduct annual mandatory training seminars for all staff, employees, and interns in regard to the office regarding the policy against sexual harassment, discrimination, and retaliation, and shall maintain a record of attendance.

Civil Rights Contact: The name of the person who has lead responsibility for ensuring that all applicable civil rights requirements are met has been provided to the KGGP. This person shall act as a liaison for civil rights issues with the U.S. Department of Justice, Office of Justice Programs, OCR.

Civil Rights Finding: In the event a federal or state court or federal or state administrative agency makes a finding of discrimination after a due process hearing on the grounds of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, age, or disability against the Subgrantee, the Subgrantee shall forward a copy of the findings to the KGGP and the U.S. Department of Justice, Office of Justice Programs, OCR.

Civil Rights Policies and Procedures: The Subgrantee is required to have written policies and procedures in place to assure compliance with applicable civil rights laws, regulations, and policies.

Training: The Subgrantee assures all agency staff participate in annual training of its civil rights policies and procedures.

Civil Rights Compliance Form: The Subgrantee is required to complete the [Civil Rights Compliance Form](#) and submit the required documents. The KGGP will verify a current (less than one year old) completed form is on file before the grant award will be considered open.

- 34. EQUAL TREATMENT FOR FAITH-BASED AND OTHER NEIGHBORHOOD ORGANIZATIONS:** All grant projects provided by the Subgrantee shall comply with the Equal Treatment for Faith-Based Organizations Regulation, 28 C.F.R. Part 38 and amendments thereto. The Subgrantee shall not discriminate against prospective program beneficiaries on the basis of religion. The Subgrantee shall not use grant funds for inherently religious activities, such as worship, religious instruction, or proselytization. Subrecipients of grants may still engage in inherently religious activities, but such activities must be completely separate in time or place from the grant-funded program

_____ (initials of Authorized Certifying Official)

and participation in such activities by individuals receiving services from the Subgrantee must be voluntary. Further, the Subgrantee shall not discriminate in the provision of services on the basis of a beneficiary's religion, religious belief, refusal to hold a religious belief, or refusal to attend or participate in a religious practice.

Subgrantees are required to provide a written notice of beneficiary protections as set forth at https://www.law.cornell.edu/cfr/text/28/appendix-A_to_part_38.

- 35. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS:** As required by Executive Order 12549, Debarment and Suspension, and implemented at 28 C.F.R. Part 67, for prospective participants in primary covered transactions, as defined at 28 C.F.R. Part 67, Section 67.510, the Subgrantee certifies that it and its principles:
- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (b) above; and
 - (d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default.
- 36. POLITICAL ACTIVITY:** The Subgrantee shall comply with all applicable federal and state statutes and regulations applicable to political activity restrictions and requirements including, but not limited to, The Hatch Act, 5 U.S.C. §7321-7326, as amended; 5 C.F.R. Part 733 and 5 C.F.R. Part 734 subparts A-G; K.S.A. 75-2953; K.S.A. 25-4169a; and K.S.A. 75-2949f. Frequently asked questions regarding The Hatch Act can be found at <https://osc.gov/Pages/HatchAct-FAQs.aspx>.
- 37. LIMITATION ON LOBBYING ACTIVITIES:** The Subgrantee shall not use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification, or adoption of any law, regulation, or policy at any level of government without the express prior written approval of the Federal Office on Violence Against Women and the KGGP, in order to avoid violation of 18 U.S.C. §1913.

_____ (initials of Authorized Certifying Official)

As required by 31 U.S.C. §1352 and implemented at 28 C.F.R. Part 69, for persons entering into a grant or cooperative agreement over \$100,000, as defined at 28 C.F.R. Part 69, the Subgrantee certifies that:

- (a) No federal appropriated funds have been or will be paid, by or on behalf of the Subgrantee, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;
- (b) If any funds other than Federal appropriated funds have been or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant, the Subgrantee shall complete and submit Standard Form – LLL, “Disclosure of Lobbying Activities,” in accordance with its instructions; and
- (c) The Subgrantee shall include the language of this certification in the award documents for all contracts entered into and shall certify and disclose accordingly.

- 38. LIMITED ENGLISH PROFICIENCY:** Procedures are in place to ensure meaningful access by persons with limited English proficiency (LEP) that are eligible for assistance or services from any Subgrantee program assisted under VAWA. The Subgrantee is required to complete the [Civil Rights Compliance Form](#). The KGGP will verify on an annual basis the Subgrantee has a LEP policy meeting federal criteria.

For additional guidance in complying with the LEP assurance, please refer to the U.S. Department of Justice *Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons* at 67 C.F.R. 41455 (June 18, 2002) or www.lep.gov.

- 39. COMPUTER NETWORKS:** The Subgrantee assures that (a) VAWA funds will not be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

- 40. TEXT MESSAGING:** The Subgrantee is encouraged to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, pursuant to Federal Executive Order 13513, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers. Kansas law prohibits texting while driving (K.S.A. 8-15,111).

41. **HISTORIC PRESERVATION:** The Subgrantee is in compliance with Section 106 of the National Historic Preservation Act of 1966, as amended, 54 U.S.C. §306108; Executive Order 11593; the Archeological and Historic Preservation Act of 1974, 54 U.S.C. §312501-312508; the National Environmental Policy Act (NEPA) of 1969, 42 U.S.C. §4321-4335; and 28 C.F.R. Part 61 (NEPA) and 63 (floodplains and wetlands). The Subgrantee shall comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.
42. **NATIONAL ENVIRONMENTAL POLICY ACT:** The Subgrantee is in compliance with the National Environmental Policy Act (NEPA), 42 U.S.C. §4321 *et seq.*, and other related federal environmental impact analysis requirements in the use of these grant funds. The Subgrantee understands that this applies to new activities whether or not they are being specifically funded by these grant funds. That is, as long as the activity is being conducted by the Subgrantee and the activity needs to be undertaken in order to use these grant funds, this assurance must first be met. The Subgrantee shall notify the KGGP prior to any of the activities taking place. The activities covered by this provision are:
- (a) New Construction;
 - (b) Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland or a habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
 - (c) A renovation, lease, or any proposed use of a building or facility that will either a) result in a change in its basic prior use or b) significantly change its size;
 - (d) Implementation of a new program involving the use of chemicals other than chemicals that are a) purchased as an incidental component of a funded activity and b) traditionally used, for example, in office, household, recreational, or education environments; and
 - (e) Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The Subgrantee assures it will cooperate with the Federal Office of Justice Programs (OJP) in any preparation by OJP of a national or program environmental assessment of the funded program activity.

43. **PROHIBITED CONDUCT RELATED TO TRAFFICKING IN PERSONS:** The Subgrantee shall comply with all applicable requirements pertaining to prohibited conduct related to the trafficking of persons. Details related to this prohibited conduct related to trafficking in persons condition are posted at <https://www.justice.gov/ovw/file/870596/download> and are incorporated by reference in this assurance.
44. **DISCLAIMER OF LIABILITY:** Neither the State of Kansas nor any agency thereof shall hold harmless or indemnify any Subgrantee beyond that liability incurred under the

_____ (initials of Authorized Certifying Official)

Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*) and shall not be held liable for the payment of damages resulting from the performance of installing, maintaining, or providing grant-funded services.

45. **INSURANCE:** The KGGP shall not purchase any insurance against loss or damage to any personal property purchased with grant project funds. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*), the Subgrantee shall bear the risk of any loss or damage to any personal property purchased with grant project funds.
46. **ADDITIONAL REQUIREMENTS:** The Subgrantee understands and agrees to comply with any additional requirements that may be imposed during the grant performance period if the KGGP determines that it is warranted.
47. **MISUSE OF GRANT FUNDS:** Misuse of grant funds may result in a range of penalties, including suspension of current and future grant funds, suspension or debarment from state and/or federal grants, recoupment of monies provided under the grant award, and civil and/or criminal penalties.
48. **FRAUD, WASTE, AND ABUSE:** The Subgrantee shall promptly refer to the U.S. Department of Justice, Office of the Inspector General and the KGGP any credible evidence that a principal, employee, agent, contractor, subgrantee, subcontractor, or other person has submitted a false claim for VAWA grant funds under the False Claims Act or committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving VAWA funds. Additional information can be found at www.usdoj.gov/oig. Potential fraud, waste, abuse, or misconduct shall be reported to:

49. **NON-DISCLOSURE AGREEMENTS AND PROHIBITIONS ON REPRISAL:** The Subgrantee shall not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. This requirement is not intended to contravene requirements applicable to Standard Form 312 (relating to classified information), Form 4414 (relating to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

_____ (initials of Authorized Certifying Official)

The Subgrantee shall comply with 41 U.S.C. §4712 and shall not discriminate against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant. The Subgrantee shall inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. §4712.

50. **UNUSED FUNDS:** The Subgrantee shall return to the KGGP any unused grant funds on hand within 10 business days after the final Financial Status report is due.
51. **FAILURE TO COMMENCE GRANT PROJECT:** If the activities described in the grant application have not commenced within 60 days after acceptance of the grant award, the Subgrantee shall report in writing the steps taken to initiate the grant project, the reasons for delay, and the expected starting date. If the activities have not commenced within the next 30 days of receipt of the above correspondence, a further statement in writing regarding the delay shall be submitted to the KGGP. Upon receipt of the second correspondence, the KGGP may terminate the grant and all unused grant funds shall be returned together with a complete accounting of all expenditures.
52. **RIGHT TO TERMINATE:** The KGGP reserves the right to terminate any grant award and cease payment to the Subgrantee for failure to comply with applicable laws, regulations, and/or terms and conditions of the grant assurances. Further, the KGGP may seek reimbursement of any or all grant funds and may reclaim any equipment, durable goods, and other property purchased with these grant funds if the Subgrantee fails to perform in accordance with the terms of the grant assurances and reporting requirements.
53. **CORRESPONDENCE AND REPORTS:** Grant Assurances shall be signed, scanned, and emailed to kggp@ks.gov or mailed to the **Kansas Governor's Grants Program, Landon State Office Building, Room 304 North, 900 SW Jackson Street, Topeka, Kansas 66612-1220**. All other correspondence, reports, and documentation required by this grant shall be submitted through the [Kansas Governor's Grants Program Grant Portal](#), unless otherwise noted and described in the 2020 VAWA Reporting Requirements. The Subgrantee further understands and agrees that by submitting financial reports on the Grant Portal they are certifying to the following statement: "To the best of the Subgrantee's knowledge and belief the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. The Subgrantee is aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject the Subgrantee to criminal, civil or administrative penalties for fraud, false statements, false claims, or otherwise."
54. **SPECIAL CONDITION(S):**
 - (a) **The Subgrantee shall attend a webinar training regarding the Grant Assurances and Reporting Requirements at 9:30 am, March 5, 2020. Failure**

_____ (initials of Authorized Certifying Official)

to participate in the webinar could result in the interruption or suspension of the grant award. The KGGP will email access instructions to the Subgrantee primary contact prior to the event.

- (b) The Subgrantee is required to complete the [Civil Rights Compliance Form](#) and return the Form and applicable documentation, with the signed Grant Assurances, no later than March 9, 2020. This subaward will not be considered approved until the KGGP Analyst has conducted a civil rights compliance review.
- (c) The Subgrantee shall revise the budget in the Grant Portal to 1) reduce the Detective line item and associated fringe benefits to no more than 10 months; 2) provide detailed computations in the description fields for all requested line items; and 3) identify the specific non-federal match source(s) in the description field of each applicable line item, no later than March 16, 2020.
- (d) The Subgrantee shall update the General Information screen of the Grant Portal to provide an appropriate 'Proposed Grant Project Name' that reflects the VAWA-funded activities to be conducted with this grant award, no later than March 16, 2020.
- (e) The Subgrantee shall upload to the Attachments tab of the Grant Portal the required Current and Next Fiscal Year Agency Budgets to include income information, per grant solicitation instructions, no later than March 16, 2020.
- (f) The Subgrantee shall, if hiring for the new Detective position from within, back-fill any agency positions that may become vacant from such hire.
- (g) The Subgrantee shall submit all supporting financial documentation with the Financial Status Reports. Supporting financial documentation shall include, but is not limited to, a detailed General Ledger or comparable accounting report that provides fund-specific allocation of expenses, payroll ledgers, check stubs, time and activity records, invoices, and travel expense reports. Failure to submit the supporting documentation could result in the interruption or suspension of grant monies. This requirement will be re-evaluated after the first three months through March 31, 2020, have been reviewed.

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 5

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: ALAN ABRAMOVITZ, HUMAN RESOURCES MANAGER
JAMES BELCHER, CHIEF OF POLICE

Agenda Item: Consider authorizing the addition of one full time employee (FTE) to the Police Department's 2020 budget

Strategic Priority: Maintain Quality of Life

Department: Police Department

Staff Recommendation:

Staff recommends authorizing the addition of one (1) full time employee (FTE) to the police department's 2020 budget.

Background/Description of Item:

City Council authorized an agreement between the City of Gardner and Kansas Governor's Grant Program (KGGP) to initiate the implementation of a special investigative position that specifically addresses violent crimes committed against women, including sexual assault and domestic violence, by hiring a Detective dedicated to that position.

Currently the Police Department has one Detective Sergeant and two Police Detectives. As a result of the agreement with KGGP, staff is requesting one additional Police Detective FTE for the Police Department. This would increase the total Police Department FTEs from 39 to 40.

Financial Impact:

Funds for the new special investigative Detective Position will come from:

KGGP \$57,471

City of Gardner General Fund \$18,839

Suggested Motion:

Authorize the addition of one full time employee (FTE) to the Police Department's 2020 budget

COUNCIL ACTION FORM

NEW BUSINESS ITEM NO. 6

MEETING DATE: MARCH 2, 2020

STAFF CONTACT: MICHAEL KRAMER, DIRECTOR OF PUBLIC WORKS

Agenda Item: Consider adopting an ordinance condemning land for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project

Strategic Priority: Infrastructure and Asset Management

Department: Public Works

Staff Recommendation:

Staff and the City Attorney recommend adopting an ordinance condemning land for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project located within the City of Gardner, Johnson County, Kansas, and directing the City Attorney to institute eminent domain proceedings as provided by law to acquire the tracts and parcels of land described in this ordinance.

Background/Description of Item:

City Council adopted Resolution 2033 at the October 7, 2019 meeting and Ordinance 2630 at the October 21, 2019 meeting condemning land for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project located within the City of Gardner, Johnson County, Kansas, and directing the City Attorney to institute eminent domain proceedings as provided by law to acquire the tracts and parcels of land described in this ordinance.

The acquisition of properties is being handled per our consulting engineer, land acquisition specialist, and city attorney following Federal Real Property Acquisition requirements. The legal description for Tract 3 has been revised since the original ordinance necessitating a new ordinance.

City representatives are continuing to work on negotiating a settlement on Tract 3. Should the parties be unable to reach an agreement, an eminent domain action may be required.

Attachments included:

- Ordinance No. 2654

Suggested Motion:

Adopt Ordinance No. 2654, an ordinance condemning land for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project located within the City of Gardner, Johnson County, Kansas, and directing the City Attorney to institute eminent domain proceedings as provided by law to acquire the tracts and parcels of land described in this ordinance.

ORDINANCE NO. 2654

AN ORDINANCE condemning land for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project located within the City of Gardner, Johnson County, Kansas, and directing the City Attorney to institute eminent domain proceedings as provided by law to acquire the tracts and parcels of land described in this ordinance.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARDNER, KANSAS:

The following described land is hereby condemned and appropriated to the City of Gardner, Kansas for the location, laying-out, construction, reconstruction, operation, use, maintenance and repair of a roadway improvement project known as the 191st Street Realignment Project, all within the City of Gardner, Johnson County, Kansas, to-wit:

See Exhibit "A", which is attached hereto and incorporated herein by reference;

1. It is hereby found that the costs of such project will be paid by the City of Gardner, Kansas and the Kansas Department of Transportation.
2. The City Attorney is hereby ordered and directed forthwith to commence proceedings for the acquisition of the above-described property and to do and perform all things which might be necessary and required by law to acquire the aforementioned rights in and to said property.
3. This ordinance shall take effect and be in force after its passage, approval and publication.

PASSED BY THE CITY COUNCIL OF THE CITY OF GARDNER, KANSAS THIS 2nd DAY OF MARCH, 2020.
